We are hosting subject meetings to give prospective applicants a chance to meet a number of Univ’s subject tutors. Please note that teachers, parents and carers are not able to attend tutor meeting sessions.

**Department meetings**: Please be aware that some of these meetings will be held in University departments rather than in College. Students should make their way to the department as indicated in the timetable below.

**In-College meetings**: Some of the in-College meetings are on drop-in basis and others have fixed start and finish times. Please see the timetable below for details, and ask a student helper if you are unsure. For tutor meetings which are ‘drop-ins’ please ask for assistance at the Welcome Desk and a student helper will show you to the appropriate room. For tutor meetings which are not ‘drop-in’ sessions, please come to the welcome desk 5 minutes before the meeting start time.

If you are not sure which subject you want to apply for, or you are planning to apply for a Joint Honours course, you may visit several different tutors.

### SUBJECT DETAILS

<table>
<thead>
<tr>
