

COMPANIES OPERATING A MATCHING GIFT SCHEME

Can your company match donations to the College and Univ Old Members' Trust?

The following companies are those that we understand currently match gifts donated by their employees – however, this list is not definitive. If your employer is not listed, please contact your Human Resources department to find out if they operate a matching gift scheme. In most cases, the company will match your donation pound for pound up to a specific level; a handful of organisations even double-match. Please contact your Human Resources department to make a matching gift. They should be able to give you a form to fill in confirming the gift you have made, which you then send to us to confirm receipt of the gift. Thank you!
