Robert de Elwyk (Fellow c. 1350)

Next to nothing is known about Robert de Elwyk apart from this document here.

A. B. Emden, in his *Biographical Register of the University of Oxford to A. D. 1500* knows of no other document about him, so that it is not known when he was elected Fellow of the College; it can only be guessed that he died not long before the date of this document.

Catalogued in September 1996.
