Papers of James Gordon Stewart Macphail (d. 1986)

James Gordon Stewart Macphail was at University College between 1919 and 1922. This collection of receipts and batells which he ran up whilst an undergraduate was given to the college in 1984. Mr. Macphail originally had a larger collection of receipts (of which a list is given), but only these eight were found in the archives in summer 1993, along with some other papers. His reminiscences were also found in the archives in 1993; parts of them were published in the 1980 issue of the "University College Record", pp. 40-52.
