About this booklet

This booklet aims to provide you with key information about University College in preparation for your arrival. It includes a welcome message from the Master and frequently asked questions. Equally importantly, it summarises what you need to do before you arrive. There are some forms to complete and return, and some actions to take. The action points are listed at the bottom of the page, and summarised in checklists at the end of this booklet (pp. 44–46).

Please return all forms to the Admissions Manager by email or post, (graduate.admissions@univ.ox.ac.uk +44 (0)1865 276677) by 3 September 2018 at the following address:

Welcome from the Master

Univ students come from all sorts of backgrounds but have three things in common: proven ability, a passion for their subject and the commitment to make a success of their chosen course. If you welcome intellectual challenge, are enthusiastic about your subject and ambitious to do well, Univ is a great place to be.

Univ’s facilities and atmosphere make it a wonderful place to study. It is located right at the centre of the city, minutes away from the main libraries, lecture halls, laboratories, shops, restaurants, pubs, parks and the river. Our beautiful old buildings have been fully modernised and our courtyards and gardens are an oasis of peace in the city centre. Sport, music, drama, politics and community work all flourish. And the spirit is relaxed, supportive and enormously friendly: you can be yourself, whoever you are.

Sir Ivor Crewe
Welcome Week

The first thing to do when you arrive in Oxford is to attend Registration in the College’s Academic Office - you will need to bring photo ID with you. At Registration you will be given your Bod Card (see Jargon Buster on p. 34) and Welcome Pack. International students will also need to have their passport and visa/Biometric Residence Permit scanned. Please note that we will be unable to register any graduates on the morning of Monday 1 October.

Note for graduates arriving prior to Welcome Week: It may not be possible to register you prior to Welcome Week if you arrive in College early. If you need to register before Welcome Week you should email graduate.admissions@univ.ox.ac.uk to see if this is possible.

The welcome pack you will be given at College Registration contains the timetable for Welcome Week, which is run by the graduate common room (WCR). The activities arranged will provide many opportunities for you to get to know the other new students and the rest of the College. The programme of social events will be advertised on Facebook (facebook.com/univwcr) and Twitter (@UnivWCR)

There are a number of College activities on the Welcome Week schedule which are mandatory. You should ensure that you will be available to attend the following sessions, none of which should clash with departmental events:

**Wednesday 3 October**

1.30pm          Welfare Induction
7.30 pm          Dean of Graduates Induction with drinks reception

**Thursday 4 October**

6.45pm          Altschul Pre-dinner drinks with College Advisers
7.15pm          Graduate Altschul Dinner

**Friday 5 October**

4.00pm          Induction with the College Doctors
Teaching and learning

All graduate students will have been assigned a College Adviser, all of whom are research-active scholars, many with international reputations, and an established teaching record. Your College Adviser’s area of research will be in a similar area to your chosen subject of study. You will probably meet your College Adviser during Welcome Week and it is likely that they will join you for the Altschul Dinner. In addition, you will meet both the Senior Tutor and Dean of Graduates during Welcome Week.

Senior Tutor (Dr Andrew Bell)

senior.tutor@univox.ac.uk  tel: +44 (0)1865 276673

The Senior Tutor has overall responsibility for all academic matters in the College, including academic welfare and academic discipline. Dr Bell is very happy to meet with any students to discuss academic-related matters. To make an appointment with the Senior Tutor, please contact the Student and Academic Recruitment Administrator, or email Dr Bell directly. Dr Bell’s office is on the ground floor of the Master’s Lodgings.
Teaching and learning

Dean of Graduates (Professor Caroline Terquem)
dean.graduates@univ.ox.ac.uk

The Dean of Graduates sets the graduate strategy and looks after graduate students jointly with the Senior Tutor, and is normally available via the Academic Support Administrator in the Academic Office tel: +44 (0)1865 286419 or by email.

In addition to the College Advisers system, Professor Terquem can be contacted if graduates experience difficulties with their academic work, or when there are disputes with their supervisor, or welfare problems. Note that day-to-day on-course graduate administration (for example the signing of GSO forms) is handled by the Academic Support Administrator, under the oversight of the Senior Tutor.
Academic Office

The Academic Office is the hub of the academic administration in College and is located in 10 Merton Street. The Academic Office team is committed to helping you navigate your way through the administration related to your studies. The Academic Office is open Monday to Friday, 9am – 12.30pm and 2pm – 4pm.

Academic Support Administrator
(Mrs Karen Franklin) karen.franklin@univ.ox.ac.uk
tel: +44 (0)1865 286419

The Academic Support Administrator deals with the day-to-day administration of on-course graduate students.

For many of your admin needs, it is to the Academic Office that you will need to turn – for example, you may need to obtain an enrolment certificate using the student self-service system www.ox.ac.uk/students for your bank during your first week or so.

All new postgraduates can apply for a book grant of up to £100. To claim the grant you will need to complete a form (available from the College intranet) once you are in Oxford. The form should be returned, with receipts attached, to the Academic Office.

The office will be able to order you a replacement Bod Card should you lose yours (there is a £15 fee for replacing lost Bod cards so try not to lose it!).

Karen works Tuesday – Friday.

Academic Services Manager (Miss Sally Stubbs)
sally.stubbs@univ.ox.ac.uk  tel: +44 (0)1865 276951

The Academic Services Manager has oversight of all on-course student administration at Univ including special exam arrangements. She is available during office hours should you have any questions regarding academic life at Univ.

(Ms Nelli Chamings-Manley) access@univ.ox.ac.uk  tel: +44 (0)1865 286565

Univ offers a whole range of schools liaison and access initiatives to schools. This means you'll often see school groups around College! Lots of Univ students also get involved in the Ambassador Scheme, working with schools and pupils to encourage them to aim for Oxford when applying to higher education. If you would be interested in getting involved in college outreach activities, please contact Nelli.

Student and Academic Recruitment Administrator (Ms Cameron Ott)  
academic.office@univ.ox.ac.uk  tel: +44 (0)1865 276601

The SARA deals with the day-to-day administration of undergraduate students and can make an appointment for you to see the Senior Tutor should the need arise. Welfare

We hope that you will enjoy your time at Univ. But everyone runs into difficulties from time to time and university life inevitably involves challenges of its own. Most of the time most of us get support from our families or friends, but sometimes they are not the right people to help, or you might not want to overburden them. These are reasons why the College and the University have people with designated welfare roles. We are keen to help and are paid to be available, so feel free to contact any one of us with anything that may be bothering you. People at Univ to whom you can turn for help include the following:

**Chaplain and Welfare Fellow (Dr Andrew Gregory)**  andrew.Gregory@univ.ox.ac.uk  tel: +44 (0)1865 276663

The Chaplain and Welfare Fellow is available to any student who wishes to speak to him about any matter of concern, whether academic difficulties, emotional issues, or anything else that might be troubling you. He will be glad to listen and can offer you time and support, or point you in the direction of other people who might be able to help.

The College is a very diverse community, and most of Andrew’s work takes place in a context of pastoral support in which no assumptions are made as to whether individuals hold to any religious beliefs or to none.

His office is in the front quad, Staircase 6, Room 6. Students are welcome to knock on his door at any time, or to contact him by phone or by email, and the Lodge can often help to find him.

Andrew leads the Welfare Team and also administers some of our hardship funds.
Disability and Welfare
Administrator (Ms Aimee Rhead)
ai.mee.rhead@univ.ox.ac.uk
tel: +44 (0)1865 276662

The Disability and Welfare Administrator is responsible for the day-to-day implementation of reasonable adjustments for students with disabilities. Aimee can advise on all disability-related issues and alternative exam arrangements. Aimee also works as a member of the welfare team and is available to support any student who is experiencing a welfare issue.

College Nurse (Ms Marie Szewczyk)
university.nurse@nhs.net tel: +44 (0)1865 276605

Marie is qualified to support individuals in learning mindful techniques having recently completed training as a mindfulness therapist. She has specialised training and experience in mental health, and has worked as a service lead for the Rape Crisis Federation, and in providing community based services for young adults. The College Nurse is available to help with a wide variety of health and welfare needs. Details about surgery hours can be found here www.univ.ox.ac.uk/live-at-univ/welfare-support
**College Counsellor (Dr Sarah Leung)**

Dr Sarah Leung is the College Counsellor. Sarah is a Clinical Psychologist and staff member of the University Counselling Service, who will be on-site and available to see Univ students on Thursdays in 0th week through 9th week from noon - 4pm. During term students can contact Sarah directly by email to arrange an appointment on. Students are also very welcome to make use of the University Counselling Service, where there is a large team of professional counsellors, and where there is also provision of group counselling, psychoeducational workshops, and other types of support.

More information about the University Counselling Service is on its website: [www.ox.ac.uk/students/welfare/counselling](http://www.ox.ac.uk/students/welfare/counselling)

**Adviser for International Students (Mrs Jing Fang)** [jing.fang@chinese.ox.ac.uk](mailto:jing.fang@chinese.ox.ac.uk)

The Adviser for International Students, Jing Fang, is available to support and advise all international students. She aims to help international students integrate fully in the College’s academic and social activities. Mrs Fang is a Language Instructor in the Oriental Institute: she has lived in Oxford for many years but comes from China and may be able to give particular support to students from the Far East.

Detailed information about support services and advice on a range of welfare-related issues can be found in Univ’s Student Welfare booklet, available on the college intranet at:

https://intranet.univ.ox.ac.uk/student-welfare

There are also Welfare Officers available in the Common Room and Univ operates a Graduate Peer Support Scheme.
Health

Before coming to College all students must register with the College Doctors. Information on how to register is available in the Welcome Pack. You should also make sure that all immunisations are up to date. It is strongly recommended that all UK and international students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. The doctors are based at 19 Beaumont Street (about a 10 minute walk from College) and they offer Univ students high-quality clinical and associated welfare support.

Most students will get NHS dental treatment until they are 19 years old. This does involve some cost. Thereafter, it may be difficult to find NHS dentists in Oxford. Our advice is to stay registered with your dentist at home and to use Oxford dentists in an emergency. Students wishing to use a dentist in Oxford may wish to use Studental (the student dentist service located at Oxford Brookes University).

Students are advised, in case of flu, to bring the following items to College: a thermometer, tissues and paracetamol. A basic first-aid pack may also be useful.

College Doctors: 19 Beaumont Street, OX1 2NA
www.19beaumontstreet.com +44 (0)1865 240501
Studental: www.studental.co.uk +44 (0)1865 689997
Emergency Dentist: +44 (0)845 345 8995
The John Radcliffe Hospital: +44 (0)300 304 7777
University Counselling Service: +44 (0)1865 270300

Action Points

Read the documents about meningitis, mumps and flu which can be found at www.univ.ox.ac.uk/learn-at-univ/new-students.

Complete the online registration for 19 Beaumont Street no later than 3 September 2018.
If you have already made a formal declaration of disability on your graduate application form, you should by now have received an information pack from the University’s Disability Advisory Service. If you have not yet received an information pack, please contact the Disability Advisory Service urgently on +44 (0)1865 280459 or disability@admin.ox.ac.uk

If you have a disability that you have not yet declared, it is not too late to do so using the declaration form that is available at tinyurl.com/disclosure-forms. You are not under any obligation to disclose details of your disability either to the College or to the Disability Advisory Service, but we can only provide you with appropriate support if we are made aware, in a timely manner, of any particular needs that you may have. We strongly encourage any student who has a disability to disclose it at the earliest opportunity. Should you provide such information, it will be shared on a need-to-know basis within the terms of the College’s confidentiality policy. Further information and advice is available from the University’s Disability Advisory Service.

The Disability Adviser who works with students at Univ is currently Julie Marsh. Her contact details are: (email) disability@admin.ox.ac.uk  
 tel: +44 (0)1865 289846.

Please check with your department or faculty who acts as the departmental Disability Co-ordinator. You should contact that person as soon as possible to discuss any support and reasonable adjustments you require.

Additional information is available on our website and in our Handbook of Information and Regulations and also on the website of the Disability Advisory Service: www.admin.ox.ac.uk/eop/disab

**Action Points**

Check that you have received your disability pack if you are expecting one and if not, contact the Disability Advisory Service immediately.
International students

The following website provides useful information for international students coming to Oxford: www.ox.ac.uk/students/new and we strongly recommend you read it carefully.

**Note for international graduates arriving prior to Welcome Week:** If you need to arrive at Univ before Welcome Week you should email teresa.strike@univ.ox.ac.uk to see if this is possible. We may be able to welcome you a few days in advance.

However, it is worth noting that before you arrive in the UK you need to do the following:

1) It is strongly recommended that all UK and international students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. If this is not possible you should consult the College Doctor immediately on arrival. Information about these vaccines is on the College website at: www.univ.ox.ac.uk/learn-at-univ/new-students/

You should note that students from Britain and the European Community can receive free treatment under the National Health Service (NHS) and students who are in full-time education and under the age of 19 are exempt from most NHS charges, e.g. prescriptions. However, there is an immigration health charge for access to NHS treatment for non-EU students studying in the UK on Tier 4 visas. Information about this charge can be found at www.ox.ac.uk/students/visa/before/tier4

2) All international students (non EEA/Swiss) coming to Oxford to study a full-time course of more than 6 months must obtain Entry Clearance (a visa) under Tier 4 (General) Student before coming to the UK to start a course. If you do not have Entry Clearance when you arrive, you will not be allowed to enter the UK. Graduates who have fulfilled all their conditions will receive their CAS number (the number you need from the University to apply for a Tier 4 visa) via email from their University department: if you have any queries, please consult your department.
International students

Your passport must continue to be valid for at least 6 months from arrival in the UK. We advise that you photocopy it, both the front and back, as well as the page or card with the approved UK entry clearance. In the event that your passport is lost or stolen, this will help you prove that you have already been cleared to remain in the UK for the duration of your studies.

Once you have arrived in Oxford you will need to collect your Biometric Residence Permit (BRP (visa)). For more information about collecting your BRP (visa) please visit the following website: www.ox.ac.uk/students/visa/before/tier4

During Welcome Week you must bring your passport and BRP (visa) to the Academic Office so that it can be scanned and stored in accordance with the UK Home Office requirements. It will not be possible for you to complete registration if your passport and BRP (visa) have not been scanned.

If your visa states that you need to register with the Police, then you must do this within 7 days of arrival in the UK. Details about registering with the Police can be found here: www.ox.ac.uk/students/visa/during/police

3) You should consider booking your flight home for December before you come to Oxford as flights are expensive and difficult to get in December. Check with your airline about the maximum time period between flights, in case you have to change your flight. Most airlines offer open tickets with 6 or 12 months’ validity for a return flight. Remember when booking your return flight that you are not allowed to leave Oxford before Saturday of 8th Week in each term. You must be back on the Thursday of the week before term starts in January (i.e. by no later than 10 January 2019).
International students

4) Consider getting an international student card which will entitle you to discounts all over the world if you’re intending to travel. The NUS card now includes international students. For more information visit www.nus.org.uk

5) As mentioned in the ‘Fees and Finance’ section, it can take a while to open up a UK bank account, so we advise that you bring some British money (£300 to £350) to see you through. You could also consider applying for a supplementary credit card through your parents for emergencies as some travel sites and airline companies require payment by credit card. If you manage to obtain a credit card in the UK, it is likely that your credit limit will only be £350.

6) Remember to register with the College Doctors, even if you do not plan to use the NHS, in case you become ill during exams etc.

Finally, remember to bring these essential documents:
Passport and BRP (visa)
Air Ticket
Letter of Acceptance from Univ
Letter Specifying Financial Support
Details of your CAS number

Put the originals of these in your hand luggage as you might be required to show them at border control. Bring copies of all documents in your hand luggage and main luggage.

Action Points
Read: www.univ.ox.ac.uk/learn-at-univ/new-students/
Remember to pack all essential documents in your hand luggage, with spare copies in your main luggage.
Living at Univ

Full Term Dates 2018/19
Michaelmas Term: Sunday 7 October – Saturday 1 December
Hilary Term: Sunday 13 January – Saturday 9 March
Trinity Term: Sunday 28 April – Saturday 22 June

Accommodation Long Contract dates
Sunday 30 September 2018 – Saturday 22 June 2019
There may be an opportunity to request extra residence after 22 June 2019. You may need to move rooms but accommodation is normally available during long vacation.

All graduates on taught courses must be in College by 12 noon on the Thursday before the start of every Full Term (i.e. by Thursday of Week Nought; see jargon buster). New graduates should ensure that they are in College for all of the mandatory Welcome Week sessions.

Bedrooms
Most bedrooms have a single bed and share a bathroom/shower with approx. 3 - 5 other students. Please bring with you your own bed linen (we supply a mattress protector), or you can purchase a bedding pack from the Domestic Bursary (domestic.bursary@univ.ox.ac.uk), which will be left in your allocated room on arrival. These do need to be pre-ordered and the cost is £45 per pack, this charge will be added to your batells (see jargon buster). Packs include a duvet, duvet cover, pillow, pillow case and fitted bed sheet.

The use of the following items is banned in student rooms: microwaves, toasters, sandwich makers, rice cookers, electric fires/ heaters, electric guitars, infrared lamps, fairy lights. Other electrical appliances can only be brought if you can guarantee their safety (evidence of PAT certification); if they’re over two years old get them checked by a qualified electrician before coming to College, and bring proof of PAT testing with you.
Living at Univ

Food
Food is reasonably priced at Univ and it is considered to be among the best in Oxford. Food at Univ offers great variety and ranges from soups, salads and sushi to hot meals. Lunch and informal hall are self-service and typically cost around £3.00 – £7.00. Formal hall is currently £9.60 for three courses, with guests paying £14.66. Breakfast is between £1.50 – £4.50. You pay for food using your Bod Card (see p. 30).

Kitchens
Every Graduate house has a shared kitchen so you can self-cater if preferred. You will need to bring your own pots/pans and cooking equipment or purchase in Oxford when you arrive.

We expect all kitchens to be kept clean and tidy, respecting all users.

Scouts (Cleaners)
At Univ we have a fantastic team of scouts who work hard to keep the College clean and tidy at all times. They will clean all communal areas Monday – Friday including shared bathrooms/showers and kitchens.

The scouts won’t do your washing up, but ensure cleanliness for all users. Each house has a dedicated scout. They normally come in to bedrooms once every few weeks to vacuum and clean sinks, this will be agreed with you within your first week by your scout. Some students prefer to clean their own room which is fine.
Living at Univ

Laundry
There is a fully-equipped, self-service laundry in the basement of Staircase 11 on the main college site. Washing machines cost £2 a wash and dryers £1.50, the machines use contactless card or apple pay/android pay. You sort out all your own washing here.

Insurance
We have a block insurance policy through Endsleigh for most personal belongings on the main site. For further details of what this covers see www.endsleigh.co.uk

Sustainability at Univ
The College takes seriously its role in living sustainably and reducing energy use and waste on all its sites. We have lots of advice and guidance on our website but we are fanatical about recycling. You will have 2 bins in your room. One is a blue bin for all recycling. Oxford operates on a mixed recycling scheme, so anything you can recycle goes into the blue bin (except glass - we ask students to take glass to the outside bins themselves). All food waste should be disposed of in the food waste caddies which can be found in the communal kitchens. All other waste (non recyclables) goes into the black bin. You should leave your bins outside your room each morning and the scout will empty and replace with a clean bin liner. If any blue bins are contaminated with food/tea bags etc., then all the contents will have to go to waste, so please be extra careful as we take our recycling very seriously. We appreciate your co-operation with this.

Guest Rooms in College

Univ has 2 guest rooms in College, 1 twin bedded room and 1 double. The rooms are for use by current members of Univ and their families along with alumni of the College. The current rate is £55 per person per night including breakfast.
In order to become a member of the University, you need to matriculate.

The matriculation ceremony will take place on Saturday 13 October 2018. Proceedings will start with a roll-call in the Main Quadrangle, followed by the Freshers’ Photograph, which will be taken in the Radcliffe Quadrangle.

It takes some time to organise the photograph and the timetable is tight. Please ensure you are in the Main Quadrangle in Univ by 11.45am dressed in sub fusc (see Jargon Buster, p. 34). You should also bring with you your University Card. Matriculating students process straight from the photograph to the matriculation ceremony in the Sheldonian Theatre. There will be no opportunity to return to your room between the taking of the photograph and the ceremony.

Only matriculating students can attend the ceremony, which is not open to the public or to guests. Some visiting students, some graduates of Cambridge University or Trinity College Dublin, and students who have already matriculated at Oxford, do not matriculate. They are however warmly invited to join the photograph and should report for roll call along with the Freshers.

Matriculation is administered by the Academic Services Manager

Fees and finances

Upon arrival at University it is essential that you open a bank account. This can take weeks. There are several banks with branches located in Oxford and close to Univ so have a look at what they offer. To open an account the bank will require several pieces of information, one of which will be confirmation from the College that you are a student here (this can be obtained via the self-service portal on the University website and then stamped as verification by the Academic Office).

You will receive your batells bill by email on the Thursday of 0th Week. Batells are College bills for accommodation or for the Access to Facilities charge. The Access to Facilities charge is paid by all students but is included in the rent for those living in college accommodation. The fee is currently £205.65 annually, £68.55 per term. All fees are due for payment at the beginning of the academic year and will be on the first invoice of that year. Payments can be made online via the intranet or by bank transfer (bank account details are clearly shown on your batells invoice). If you think it is going to be difficult for you to pay your batells upfront, speak to the Domestic Bursar as she may agree to payment by instalments.

Batells are due for payment on the following dates:

- Michaelmas Term: 20 October 2018
- Hilary Term: 26 January 2019
- Trinity Term: 11 May 2019
- Long Vacation: 31 August 2019

Batells will be addressed to you. Alternatively, if you are receiving support from any grant-making body that has agreed to pay fees, then those bodies will be invoiced directly. If there are any problems with this when your batells come through please contact Angela Gardiner in the Treasury immediately. Failure to pay on time may result in financial and other penalties, both within the College and the University.
Fees and finances

The staff involved in invoicing and receiving college payments are:

College Accountant (Mr Tim Croft)

*tim.croft@univ.ox.ac.uk*  
tel: +44 (0)1865 276622

Mr Croft is the chief finance officer (operations).

Treasury Assistant (Mrs Angela Gardiner)

*angela.gardiner@univ.ox.ac.uk*  
tel: +44 (0)1865 276616

Mrs Gardiner looks after your batells and ensures you receive the grants you are entitled to.
Fees and finances

The College expects all students to have full funding in place prior to the start of their course and for the duration of the course. Additional financial aid from the College is not available to meet anything other than short-term, unexpected financial difficulties.

In addition to fees, you will have to pay living expenses (rent and food). Please note that an additional heating charge may be made in rooms in the older part of the College. For 2018–19 the following estimates apply:

The University estimates that £12,168–£18,655 will cover all living expenses for a 12 month period. The University estimates that students who are on 9 month programmes of study will require £9,127–£13,991 for living expenses.

All graduates need to fill out the Treasury form (available on our website in the section for new students) and return it to the Academic Office.

Further general information about funding can be found here: www.ox.ac.uk/admissions/graduate/fees-and-funding

Financial assistance

There are limited funds available for financial hardship, but the College currently offers a number of other financial awards and funds to students, including:

**Travel Grants** - to help with travel costs for travel related to academic work.

**Book and Equipment Grants** - to help students with the cost of purchasing books or equipment essential to their degree course (up to a maximum of £100).

**Student Support Fund** - for students in financial need of hardship for unexpected reasons, contact the Domestic Bursar angela.unsworth@univox.ac.uk.

**Job Opportunities** - Univ can sometimes offer students work during vacations, provided it does not interfere with their academic work.

Details of other sources of funding, including the University Hardship Fund, can be found on the College website and in the Student Financial Guide 2018.
Managing your finances

University life can lead to a high degree of impulsive spending. With so much academic work to do, it can seem that the best thing to do on a night off is to go out and spend more than you can afford. The only way you can be in control of your money is if you are aware of how much you have and how you are spending it.

**Good ways to manage your money**

Pay all bills at the start of term. Pay your bills, clear any credit card bills, insurance etc. These should always be a priority because they do not go away. Credit card interest is a drain on your funds.

If you ‘live out’, work out how much you will need for essential bills until your next termly instalment and put that much aside in a savings account attached to your current account. This way, you can avoid spending it. Work out how much money remains and divide it between the weeks for which you will need money before the next lot of income is received.

If you receive funds monthly, set up all your bills to be paid by standing order. This might include your credit card (if you have one), your mobile phone, and any other costs. Calculate how much remains for each month.

Once you know how much disposable income you have, find a method that suits you best to ensure that you do not overspend. Methods might include:

Record every withdrawal, either on an Excel spreadsheet, on a smartphone finance app or in a notebook. Always get receipts when you withdraw money or put something on your card (even if it is a small amount). This will allow you to ensure that you do not overspend.
Managing your finances

If you do not like to record everything, get into a habit of asking to see your balance when you withdraw money. It is tempting to avoid this question because when you are withdrawing money for a night out you do not want to know how little you have to spend. Check as a matter of course, and then you will be in control.

If any of the above options are too tedious, withdraw the amount of money you are able to spend at the beginning of a week. Then, put all cards away until you can make the next withdrawal. In this way, you can keep complete control over your finances and ensure that you know what is happening.

Be realistic about your expenditure. For example, if you smoke, then budget for cigarettes and accept that this will mean that you cannot spend money on other things. Be honest with yourself about what you are spending and why you are spending it.

Other tips
• Do not get a credit card or store card unless you are certain you can live within your means.
• If you do not have a regular income, switch your mobile phone to a Pay as You Go contract.
• Don’t spend large sums on books or music and convince yourself that it was for your degree.
• Don’t agree to eat out with friends if you cannot afford it.
• Never lend money to someone else.
• Get a vacation job (provided it doesn’t interfere with your academic progress).
• Get a supermarket club card (e.g. Nectar Card, ClubCard).
All student rooms have a network port on the wall (usually near the telephone port) and wireless networking is available across the College campus. Library

Our Old and New Libraries are open 24/7 during term and stock a wide range of books supporting both undergraduate and graduate study. In addition to academic textbooks the libraries maintain a section of books about study skills, writing essays, and staying healthy. The librarians welcome book suggestions and are often able to have new books on the shelf within a couple of days. As well as providing the books you need for your course and a quiet and comfortable place to work, the two professionally trained librarians and a part time library assistant are on hand to help with all your information needs. Full induction in how to use the libraries will take place during Welcome Week.

Bod card

Your Bod Card, short for ‘Bodleian Card’, is your University Card and it will be given to you at College Registration. It is the key to student life. You will need it to access libraries, borrow books, enter departments and other buildings, buy meals in Hall and as student ID in the city. At the start of Michaelmas term, £150 is automatically added to your Bod Card (this is charged to your Hilary Term batells), which is then debited for every meal you have. You can top up your Bod Card online through the Univ Intranet. If you lose it you need to go to the Academic Office to order a new one. The University imposes a charge of £15 for the replacement of lost Bod Cards.
The Lodge

The Lodge is the first port of call for everyone coming to College. There is always a porter on duty, 24 hours a day. The Porters are a mine of information and can also offer practical assistance on a whole range of issues. They deal with the post, telephone switchboard, room keys, and other matters concerning the security and smooth running of the College. The Porters are able to provide a listening ear and a friendly chat at all times day or night.

If you need directions or information please contact the Lodge.

Head Porter (Mr Bob Maskell)

lodge@univox.ac.uk

tel: +44 (0)1865 276602

The Head Porter is supported by Deputy Head Porter, Mr Steve Moody and a team of porters Mr Lee Mahon, Ms Paulina Mascianica, Mr Aidan Gillett and Mr Lekh Raj.

Emergencies

All porters are first aiders, so the Lodge will usually be the first place to contact if you or someone else in College needs first aid or other assistance (tel: +44 (0)1865 276602). A porter can offer immediate assistance, contact other people, and advise on whether it is appropriate to call an ambulance.

If you think that you or someone else in College needs emergency assistance and you call an ambulance yourself by ringing 999, you need to be prepared to give the patient’s name, the room number or other location in College, the College address, your phone number, and brief details of the problem. Then contact the Lodge (tel: +44 (0)1865 276602): they may need to help the Ambulance Service to find the patient or to get through locked doors.
The College Community

Univ prides itself on being a friendly and welcoming College. The College community is made up of students, academic staff and non-academic staff. Many different people contribute to the smooth running of the College and to creating the warm and homely atmosphere that we treasure at Univ. Students build friendships with the staff at Univ, many of whom you will see nearly every day during your time here.

The scouts will chat to you in the corridor and remind you to recycle as much as possible.

The gardeners will be out and about in the quads looking after the College grounds and planting seasonal flowers for you to admire.

The Works Department look after the fabric of the College. If you have any maintenance requests please email works.request@univ.ox.ac.uk
The College Community

The Buttery and Hall staff will serve you wholesome food every day, will encourage you to eat your greens, and might even serve you a particularly large portion of pudding if you look like you are having a hard day.

The staff in our Library will do everything they can to make sure you get the books you need for your course, as well as the peace, quiet and comfort you need to study there – including providing cushions if you find the chairs a little hard.

In this booklet we have introduced just a few of the members of staff that you might meet in your first few weeks at Univ, but please remember that every single member of staff is an important part of our community, just as every single student is. You will get to know many of them soon!

Contact details for all staff can be found on our website www.univ.ox.ac.uk/about/organisation-and-contacts

Arriving at Univ

Graduate Arrival Times
Graduates must be in residence by 30 September 2018. However, for students on certain programmes of study required by their department to arrive earlier, College accommodation can be made available before then. This must be arranged in advance with the Domestic Bursary.

teresa.strike@univ.ox.ac.uk

Your key can be collected from the Porters’ Lodge (for main site accommodation) or from Mrs Angela Carter (the resident housekeeper at Staverton Road). If you have been allocated accommodation on the main College site and you are arriving by car, you are welcome to stop on Merton Street or Logic Lane (which is accessed via Merton Street – if you are coming from Magdalen Bridge, turn left from the High Street by the Eastgate Hotel) for five minutes to unload your luggage but you must then park your car elsewhere.

If you have been allocated a room in the Staverton Annexe you may prefer to go straight there if arriving by car to avoid problems with parking in the centre of town. The entrance is at the Woodstock Road end of Staverton Road.

Cycling
Cycling is very popular within the city centre and many students find this the best way to get to and from lectures on time! There is no need to bring a bike as there will be plenty of second-hand ones on offer when you get here (take a look at the Daily Info website). Cycling safely is very important and we suggest you wear a helmet and high-visibility clothing. When cycling in the dark, front and rear lights are always required. Bike theft is very common, so it’s a good idea to bring a sturdy lock and always try and lock your bike to something. More information can be found on the University website www.admin.ox.ac.uk/estates/ourservices/travel/bike

Cars
There are NO parking facilities at University College.

There are 5 Park and Ride sites situated on the outskirts of Oxford where you can park your car (some car parks make a charge) and then hop on the bus into town. The return fare is currently around £2.80. Further information can be found on the Oxford Bus Company website.

Buses
The main bus operators in Oxford are Oxford Bus Company and Stagecoach. Fares aren’t cheap, with singles to outside the centre starting at about £2, but you can get pretty much anywhere you want to go within Oxfordshire for about £7 return.

In the centre of Oxford the easiest way to get around is to walk. It takes only 25 minutes on foot to walk from Staverton to College, and the route can include a lovely 5 minute stroll in the University Parks.
