About the College
University College ('Univ') founded in 1249, is the oldest educational foundation in Oxford. The College has approximately 360 undergraduate students, 200 graduate students and 50 Fellows. Similar to other Oxford colleges, Univ is an independent, self-governing establishment. Univ is headed by the Master and lead by the Governing Body of Fellows, which has overall responsibility for all aspects of running the College.

Univ has an endowment of over £140 million and a mature and well-established fundraising programme. It is one of the leading Colleges in Oxford for fundraising and alumni relations and amongst the most widely supported Annual Funds of UK higher institutions by a considerable margin.

The Development Team
The Development Team is primarily responsible for alumni relations and fundraising. They enable students to keep in touch with other members of the Univ community and with the College after they graduate. They also organise events for Old Members (alumni) including subject reunions, Gaudies (year group reunions) and special conferences and seminars. While each member has specific responsibilities, it is a friendly ‘all hands on’ office where considerable teamwork is welcomed and expected.

Role of the Regular Giving Manager
The Regular Giving Manager is responsible for making a significant contribution to key relationships for the College. The main responsibilities of the role include: developing a specific marketing strategy, creating targeted fundraising events, co-ordinating mail appeals, running the Telethon, working with alumni volunteers on the Golden Reunion, and securing regular support for the College’s Annual Fund.
