Welcome from the Master

Welcome to Univ. I am delighted that you are joining us this year. Univ is a community with a long and rich history, a community which leads by doing with a commitment to excellence. Whilst Univ students come from a variety of backgrounds you have a number of things in common: intellectual curiosity, a passion for your subject and an ambition to do well. You will learn from each other and in our supportive environment there is every opportunity to thrive.

Univ’s facilities and atmosphere make it a wonderful place to study. It is located right at the centre of the city, minutes away from the main libraries, lecture halls, laboratories, shops, restaurants, pubs, parks and the river. Our beautiful old buildings have been fully modernised and our courtyards and gardens are an oasis of peace. Sport, music, drama, politics and community work all flourish. And the spirit is relaxed, supportive and enormously friendly: you can be yourself here. I look forward to welcoming you.

Baroness Valerie Amos

Welfare

We hope that you will enjoy your time at Univ. But everyone runs into difficulties from time to time and university life inevitably involves challenges of its own. Most of the time most of us get support from our families or friends, but sometimes they are not the right people to help, or you might not want to overburden them. These are reasons why the College and the University have people with designated welfare roles. We are keen to help and are paid to be available, so feel free to contact any one of us with anything that may be bothering you. People at Univ to whom you can turn for help include the following:

Chaplain and Welfare Fellow (Dr Andrew Gregory)
andrew.gregory@univ.ox.ac.uk
tel: +44 (0)1865 276663

The Chaplain and Welfare Fellow is available to any student who wishes to speak to him about any matters of concern, whether academic difficulties, emotional issues, or anything else that might be troubling you. He will be glad to listen and can offer you time and support, or point you in the direction of other people who might be able to help.

The College is a very diverse community, and most of Andrew’s work takes place in a context of pastoral support in which no assumptions are made as to whether individuals hold to any religious beliefs or to none.

His office is in the front quad, Staircase 6, Room 6. Students are welcome to knock on his door at any time, or to contact him by phone or by email, and the Lodge can often help to find him.

Andrew leads the Welfare Team and also administers some of our hardship funds.

Health

Before coming to College all students must register with the College Doctors. Information on how to register is available in the Welcome Pack. You should also make sure that all immunisations are up to date. It is strongly recommended that all UK and international students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. The doctors are based at 19 Beaumont Street (about a 10 minute walk from College) and they offer Univ students high quality clinical and associated welfare support, It is recommended that students have a UK registered mobile phone in case the doctor needs to contact you in an emergency. If you take any regular medication you must ensure that you bring at least one month's supply with you.

Most students will get NHS dental treatment until they are 19 years old. This does involve some cost. Thereafter, it may be difficult to find NHS dentists in Oxford. Our advice is to stay registered with your dentist at home and to use Oxford dentists in an emergency. Students wishing to use a dentist in Oxford may wish to use Studental (the student dentist service located at Oxford Brookes University).

Students are advised, in case of flu, to bring the following items to College: a thermometer, tissues and paracetamol. A basic first aid pack may also be useful.

College Doctors: 19 Beaumont Street, OX1 2NA

Action Points

- Read the documents about meningitis, mumps and flu which can be found at: www.univ.ox.ac.uk/learn-at-univ/new-students
- Complete the online registration for 19 Beaumont Street no later than 1 September 2020
Disability

If you have already made a formal declaration of disability on your UCAS form, you should by now have received an information pack from the University’s Disability Advisory Service. If you have not received an information pack, please contact the Disability Advisory Service urgently on tel: +44 (0) 1865 280459 or disability@admin.ox.ac.uk

If you have a disability that you have not yet declared, it is not too late to do so using the declaration form that is available at tinyurl.com/disclosure-forms You are not under any obligation to disclose details of your disability either to the College or to the Disability Advisory Service, but we can only provide you with appropriate support if we are made aware, in a timely manner, of any particular needs that you may have. We strongly encourage any student who has a disability to disclose it at the earliest opportunity. Should you provide such information, it will be shared on a need-to-know basis within the terms of the College’s confidentiality policy. Further information and advice is available from the University’s Disability Advisory Service.

The Disability Adviser who works with students at Univ is currently Julie Marsh. Her contact details are disability@admin.ox.ac.uk tel: +44 (0)1865 289846.

Additional information is available on our website and in our Handbook of Information and Regulations and also on the website of the Disability Advisory Service www.edu.admin.ox.ac.uk/disability-support

The University’s Counselling Service is also available to assist should you find yourself experiencing any difficulties. The Service offers free and confidential support. More details can be found on the website: www.ox.ac.uk/students/welfare/counselling

Action Points

• Check that you have received your disability pack if you are expecting one and if not, contact the Disability Advisory Service immediately.
International Students

The following website provides useful information for international students coming to Oxford: [www.ox.ac.uk/students/new](http://www.ox.ac.uk/students/new) and we strongly recommend you read it carefully.

**Note for international undergraduates arriving prior to Welcome Week:** If you need to arrive at Univ before Welcome Week you should email shane.pledge@univ.ox.ac.uk to see if this is possible. We may be able to welcome you a few days in advance.

However, it is worth noting that before you arrive in the UK you need to do the following:

1) It is strongly recommended that all UK and International students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. If this is not possible you should consult the College Doctor immediately on arrival. Information about these vaccines is on the College website at: [www.univ.ox.ac.uk/learn-at-univ/new-students](http://www.univ.ox.ac.uk/learn-at-univ/new-students)

   You should note that students from Britain and the European Community can receive free treatment under the National Health Service (NHS) and students who are in full-time education and under the age of 19 are exempt from most NHS charges, eg. prescriptions. However, there is an immigration health charges for access to NHS treatment for non-EU students studying in the UK on Tier 4 visas. Information about the charge can be found at [www.ox.ac.uk/students/visa/before/tier4](http://www.ox.ac.uk/students/visa/before/tier4)

2) All international students (non EEA/Swiss) coming to Oxford to study a full-time course of more than 6 months must obtain Entry Clearance (a visa) under Tier 4 (General) Student before coming to the UK to start a course. If you do not have Entry Clearance when you arrive, you will not be allowed to enter the UK. Undergraduates and visiting students will receive their CAS number (which is needed to apply for a visa) via email from the College when they have met all the conditions of their offer and completed their financial declaration.
International Students

Your passport must continue to be valid for at least 6 months from arrival in the UK. We advise that you photocopy it, both the front and back, as well as the page or card with the approved UK entry clearance. In the event that your passport is lost or stolen, this will help you prove that you have already been cleared to remain in the UK for the duration of your studies.

Once you have arrived in Oxford you will need to collect your Biometric Residence Permit (BRP (visa)). For more information about collecting your BRP please visit the following website: www.ox.ac.uk/students/visa/before/tier4

During Welcome Week you must bring your passport and BRP to the Academic Office so that it can be scanned and stored in accordance with the UK Home Office requirements. **It will not be possible for you to complete registration if your passport and BRP have not been scanned.**

If your visa states that you need to register with the Police, then you must do this within 7 days of arrival in the UK. Details about registering with the Police can be found here: www.ox.ac.uk/students/visa/during/police

3) You should consider booking your flight home for December before you come to Oxford as flights are expensive and difficult to get in December. Check with your airline about the maximum time periods between flights, in case you have to change your flight. Most airlines offer open tickets with 6 or 12 months’ validity for a return flight. **Remember when booking your return flight that you are not allowed to leave Oxford before Saturday of 8th week in each term.** You must be back on the Thursday of the week before term starts in January (ie. by no later than 14 January 2021).
International Students

4) Consider getting an international student card which will entitle you to discounts all over the world if you’re intending to travel. The NUS card now includes international students. For more information visit www.nus.org.uk

5) As mentioned in the ‘Fees and Finance’ section, it can take a while to open a UK bank account, so we advise that you bring some British money (£300 to £350). You could also consider applying for a supplementary credit card through your parents for emergencies as some travel sites and airline companies require payment by credit card. If you manage to obtain a credit card in the UK, it is likely that your credit limit will only be £350.

6) Remember to register with the College Doctors, even if you do not plan to use the NHS, in case you become ill during exams etc.

Finally, remember to bring these essential documents:

- Passport and BRP (visa)
- Air ticket
- Letter of acceptance from Univ
- Letter specifying financial support
- Details of your CAS number

Put the originals of these in your hand luggage as you might be required to show them at border control. Bring copies of all documents in your hand luggage and main luggage.

Action Points

- Read: www.univ.ox.ac.uk/learn-at-univ/new-students
- Remember to pack all essential documents in your hand luggage, with spare copies in your main luggage

Living at Univ

Food

Food is reasonably priced at Univ and it is considered to be amongst the best in Oxford. Food at Univ offers great variety and ranges from soups, salads and sushi to hot meals. Lunch and informal hall are self service and typically cost around £3.00-£7.00 Formal hall is currently £10.18 for three courses, with guests paying £15.54 Breakfast is between £1.50-£4.50 You pay for food using your Bod Card (see p.30)

Kitchens

You will find shared kitchens across the main site on certain staircases and buildings. You will need to bring your own pots/ pans and cooking equipment or purchase in Oxford when you arrive.

We expect all kitchens to be kept clean and tidy, respecting all users.

Scouts (cleaners)

At Univ we have a fantastic team of scouts who work hard to keep the College clean and tidy at all times. They will clean all communal areas Monday—Friday including shared bathrooms/ showers and kitchens.

The scouts won’t do your washing up, but ensure cleanliness for all users. Each house has a dedicated scout. They normally come in to bedrooms once every few weeks to vacuum and clean sinks, this will be agreed with you within your first week by your scout. Please ensure that your room is tidy on the designated cleaning day. Some students prefer to clean their own room which is fine.
Living at Univ

Laundry
There is a fully-equipped, self-service laundry in the basement of Staircase 11 on the main college site. Washing machines cost £2 a wash and dryers £1.50, the machines use contactless card or apple pay/android pay.

Insurance
We have a block insurance policy through Endsleigh for most personal belongings on the main site. For further details of what this covers see www.endsleigh.co.uk

Sustainability at Univ
The College takes seriously its role in living sustainability and reducing energy use and waste on all its sites. We have lots of advice and guidance on our website but we are fanatical about recycling. You will have 2 bins in your room. One is a blue bin for all recycling. Oxford operates on a mixed recycling scheme, so anything you can recycle goes into the blue bin (except glass- we ask students to take glass to the outside bins themselves). All food waste should be disposed of in the food waste caddies which can be found in the communal kitchen. All other waste (non recyclables) goes into the black bin. You should leave your bins outside your room each morning and the scout will empty and replace with a clean bin liner. If any blue bins are contaminated with food/tea bags etc, then all the contents will have to go to waste, so please be extra careful as we take our recycling very seriously. We appreciate your co-operation with this.

Matriculation

In order to become a member of the University, you need to matriculate. Unfortunately, owing to the current COVID-19 pandemic, it will not be possible to hold the Michaelmas Term 2020 matriculation ceremony in person. Instead, all students who were due to be matriculated will be matriculated in absentia during 0th Week of Michaelmas Term 2020, and a remote University welcome will be held in its place.

The Formal Welcome to the University by the Vice-Chancellor will take place on the date originally planned for the face-to-face ceremony – Saturday 17 October 2020.

The aim is to maintain as many of the traditions as possible, with the Vice-Chancellor welcoming students to the University (including relevant lines of Latin), while acknowledging the extraordinary circumstances that we find ourselves in. The online event is expected to last no longer than 30 minutes, starting at the provisional time of 10.00am.

The University will send invitations to new students in early September, and further information will be provided in due course.

The College usually arranges a group and individual photographs on the day of matriculation, but that will not be possible this year. We are currently considering what we might do in place of this and further information will follow.

Matriculation is administered by the Academic Services Manager

Fees and finances

Upon arrival at University it is essential that you open a bank account. This can take weeks. There are several banks with branches located in Oxford and close to Univ, so have a look at what they offer. To open an account the bank will require several pieces of information, one of which will be confirmation from the College that you are a student here (this can be obtained via the self-service portal on the University website and then stamped as verification by the Academic Office).

You will receive your batells bill by email on the Thursday of 0th week. Batells are College bills for accommodation or for the Access to Facilities charge. The Access to Facilities charge is paid by all students but is included in the rent for those living in college accommodation. The fee is currently £205.65 annually, £68.55 per term. All fees are due for payment at the beginning of the academic year and will be on the first invoice of that year. Payments can be made online via the intranet or by bank transfer (bank account details are clearly shown on your batells invoice). If you think it is going to be difficult for you to pay your batells upfront, speak to the Domestic Bursar as she may agree to payment by instalments.

**Batells are due for payment on the following dates:**

- Michaelmas term: 24 October 2020
- Hilary term: 30 January 2021
- Trinity term: 8 May 2021
- Long vacation: 31 August 2021

Batells will be addressed to you. Alternatively, if you are receiving support from any grant-making body that has agreed to pay fees, then those bodies will be invoiced directly. If there are any problems with this when your batells come through please contact Angela Gardiner in the Treasury immediately. Failure to pay on time may result in financial and other penalties, both within the College and the University.
Fees and finances

The staff involved in invoicing and receiving college payments are:

Fees and finances

The College expects all students to have full funding in place prior to the start of their course and for the duration of the course. Additional financial aid from the College (other than Old Members’ Trust Bursaries for UK undergraduates) is not available to meet anything other than short-term, unexpected financial difficulties.

In addition to fees, you will have to pay living expenses (rent and food). For 2020-21 the following estimates apply:

**Home/EU students:** On the basis of the maximum, means-tested, undergraduate maintenance loan (or the minimum loan with parental contribution) you are likely to manage financially if you pay no rent in the vacations and live frugally. If you pay for rent and food in vacations you will need a further source of money.

**Overseas:** The University estimates that students who are on 9 month programmes of study will require £10,215-£14,850 for living expenses. These estimates do not include the costs of air travel home or visa costs.

All undergraduates need to fill out the Treasury form (available on our website in the section for new students) and return it to the Academic Office.

Undergraduates must read the ‘Student Financial Guide 2020-21’ which can be found on our website in the section for new students: [www.univ.ox.ac.uk/learn-at-univ/new-students](http://www.univ.ox.ac.uk/learn-at-univ/new-students)

Further general information about funding can be found here: [www.ox.ac.uk/admissions/graduate/fees-and-funding](http://www.ox.ac.uk/admissions/graduate/fees-and-funding)

---

**Action Points**

- Open a bank account.
- Download the Treasury form from the College website. Return the completed form to College by 1 September 2020.
Financial assistance

There are limited funds available for financial hardship, but the College currently offers a number of other financial awards and funds to students, including:

**Vacation Study Grants for undergraduates**—to help contribute towards the cost of accommodation for undergraduates who need to stay in Oxford outside term to sit examinations or for academic projects. This fund is cash-limited.

**Travel Grants**—to help with travel costs for travel related to academic work

**Book and Equipment Grants**—to help students with the cost of purchasing books or equipment essential to their degree course (up to a maximum of £60).

**Student Support Fund**—for students in financial need of hardship for unexpected reasons, contact the Domestic Bursar. angela.unsworth@univ.ox.ac.uk

**Old Members’ Trust undergraduate bursaries** for students assessed as being eligible before they come to the College. These bursaries are funded through the generosity of Old Members (college alumni) and administered by a committee of the Old Members’ Trust. Contact the Academic Office for details.

**Job Opportunities**—Univ can sometimes offer students work during vacations, provided it does not interfere with their academic work. Undergraduates are not usually allowed to take paid employment during full term.

Details of other sources of funding, including the University Hardship Fund, can be found on the College website and in the Student Financial Guide 2020.
Managing your finances

University life can lead to a high degree of impulsive spending. With so much academic work to do, it can seem that the best thing to do on a night off is to go out and spend more than you can afford. The only way you can be in control of your money is if you are aware of how much you have and how you are spending it.

**Good ways to manage your money**

Pay all bills at the start of term. Pay your batells, clear any credit card bills, insurance etc. These should always be a priority because they do not go away. Credit card interest is a drain on your funds.

If you ‘live out’, work how much you will need for essential bills until your next termly instalments and put that much aside in a savings account attached to your current account. This way, you can avoid spending it. Work out how much money remains and divide it between the weeks for which you will need money before the next lot of income is received.

If you receive funds monthly, set up all your bills to be paid by standing order. This might include your credit card (if you have one), your mobile phone, and any other costs. Calculate how much remains for each month.

Once you know how much disposable income you have, find a method that suits you best to ensure that you do not overspend. Methods might include:

Record every withdrawal, either on an Excel spreadsheet, on a smartphone finance app or in a notebook. Always get receipts when you withdraw money or put something on your card (even if it is a small amount). This will allow you to ensure that you do not overspend.
Managing your finances

If you do not like to record everything, get into a habit of asking to see your balance when you withdraw money. It is tempting to avoid this question because when you are withdrawing money for a night out you do not want to know little you have to spend. Check as a matter of course, and then you will be in control.

If any of the above options are too tedious, withdraw the amount of money you are able to spend at the beginning of a week. Then, put all cards away until you can make the next withdrawal. In this way, you can keep complete control over your finances and ensure that you know what is happening.

Be realistic about your expenditure. For example, if you smoke, then budget for cigarettes and accept that this will mean that you cannot spend money on other things. Don’t justify spending more money because you have had a good/bad/indifferent tutorial. Be honest with yourself about what you are spending and why you are spending it.

Other tips

- Do not get a credit card or store card unless you are certain you can live within your means.
- A student loan from the Student Loans Company is a highly controlled, sensible form of debt. Do not think that, because you already have a loan from the SLC, borrowing an extra £1,000 from private resources does not matter. Uncontrolled borrowing can lead to a surprising amount of debt in a short period of time.
- If you do not have a regular income, switch your mobile phone to a Pay As You Go contract.
- Don’t spend large sums on books or music and convince yourself that it was for your degree.
- Don’t agree to eat out with friends if you cannot afford it.
- Never lend money to someone else.
- Get a vacation job during the summer (but not during the Christmas or Easter Vacation as you will need to study for start of term collection).
- Get a supermarket loyalty card (eg. Nectar Card, ClubCard).
All student rooms have a network port on the wall (usually near the telephone port) and wireless networking is available across the College campus. Please ensure that before arrival all personal computers have up to date anti-virus software installed and are running a supported and current OS version which is fully up to date. The anti-virus software Sophos is freely available from the university and can be installed before you arrive (once you have completed your self-service registration (see below).

Library

Our Old and New Libraries stock a wide range of books supporting both undergraduate and graduate study. In addition to academic textbooks the libraries maintain a section of books about study skills, writing essays, and staying healthy. The library team welcome suggestions for new books (both hard copy and electronic) and have systems in place to support remote learning. As well as providing the resources you need for your course, the Library team are on hand to help with all your information needs.

Bod card

Your Bod Card, short for ‘Bodleian Card’, is your University Card and it will be given to you at College Registration on the Monday of Welcome Week (or the Monday of Maths Week if you are attending). It is the key to student life. You will need it to access libraries, borrow books, enter departments and other buildings, buy meals in Hall and as student ID in the city.

At the start of Michaelmas term, £150 is automatically added to your Bod Card (this is charged to your Hilary term batells), which is then debited for every meal you have. You can top up your Bod Card online through the Univ intranet. If you lose it the University imposes a charge of £15 for the replacement of lost Bod Cards.
The Lodge

The Lodge is the first port of call for everyone coming to College. There is always a porter on duty, 24 hours a day. The Porters are a mine of information and can also offer practical assistance on a whole range of issues. The porters are able to provide a listening ear and a friendly chat at all times of day or night.

The Head Porter is supported by Deputy Head Porter, Mr Steve Moody and a team of porters, Mr Filipe Barbosa, Mr Aidan Gillett, Mr Ali Karimi, Ms Paulina Mascianic and Mr Dave Lerner-Smith.

Emergencies

All porters are first aiders, so the Lodge will usually be first place to contact if you or someone else in College needs first aid or other assistance tel: +44(0)1865 276602. A porter can offer immediate assistance, contact other people and advise on whether it is appropriate to call an ambulance.

If you think that you or someone else in College needs emergency assistance and you call an ambulance yourself by ringing 999, you need to be prepared to give the patient’s name, the room number or other location in College, the College address, your phone number, and brief details of the problem. The contact the Lodge tel: +44(0)1865 276602; they may need to help the Ambulance Service to find the patient or to get through locked doors.

Arriving at Univ

The centre of Oxford is very busy and difficult to navigate by car. If you arrive by car, you are welcome to stop on Merton Street or Logic Lane (which is assess via Merton Street—if you are coming from Magdalen Bridge, turn left from the High Street by the Eastgate Hotel) for five minutes to unload your luggage but you must then park your car elsewhere.

Currents students will be on hand to help you unload your belongings and take them to your room. Once the car has been unloaded, it should be parked elsewhere in the city (the nearest car park is in St Clements). Once safely parked, you can return to your room to start unpacking and making it feel like home.

Cycling is very popular within the city centre and many students find this the best way to get to and from lectures on time! There is no need to bring a bike as there will be plenty of second-hand ones on offer when you get here (take a look at the Daily Info website). Cycling safely is very important and we suggest you wear a helmet and high visibility clothing. When cycling in the dark, front and rear lights are always required. Bike theft is very common, so it’s a good idea to bring a sturdy lock and always try and lock your bike to something. More information can be found on the University website:

https://travel.admin.ox.ac.uk/bike/oxford

Cars
There are no parking facilities at University College. There are 5 Park and Ride sites situated on the outskirts of Oxford where you can park your car (a charge is payable) and then hop on the bus into the city centre. The return fare is currently around £2.80. Further information can be found on the Oxford Bus Company website.
