Welcome to Univ. I am delighted that you are joining us this year. Univ is a community with a long and rich history, a community which leads by doing with a commitment to excellence. Whilst Univ students come from a variety of backgrounds you have a number of things in common: intellectual curiosity, a passion for your subject and an ambition to do well.

Univ’s facilities and atmosphere make it a wonderful place to study. It is located right at the centre of the city, minutes away from the main libraries, lecture halls, laboratories, shops, restaurants, pubs, parks and the river. Our beautiful old buildings have been fully modernised and our courtyards and gardens are an oasis of peace. There is ample opportunity to get involved in sport, music, drama, politics and community work and to learn from each other as well as from your tutors. The spirit is relaxed, supportive and enormously friendly. You can be yourself at Univ. I look forward to welcoming you.

WELCOME WEEK

One of the first things to do when you arrive in Oxford is to attend Registration in the College’s Academic Office – you will need to bring photo ID with you. To make your registration appointment please email the Graduate Studies Officer Graduate.Admissions@univ.ox.ac.uk

WELFARE

We hope that you will enjoy your time at Univ. But everyone runs into difficulties from time to time and university life inevitably involves challenges of its own. Most of the time most of us get support from our families or friends, but sometimes they are not the right people to help, or you might not want to overburden them. These are reasons why the College and the University have people with designated welfare roles. We are keen to help and are paid to be available, so feel free to contact any one of us with anything that may be bothering you. People at Univ to whom you can turn for help include the following:

Chaplain and Welfare Fellow (Dr Andrew Gregory)
E: Andrew.Gregory@univ.ox.ac.uk
T: +44 (0)1865 276663

Andrew is available to any student who wishes to speak to him about any matters of concern, whether academic difficulties, emotional issues, or anything else that might be troubling you. He will be glad to listen and can offer you time and support, or point you in the direction of other people who might be able to help.

The College is a very diverse community, and most of Andrew’s work takes place in a context of pastoral support in which no assumptions are made as to whether individuals hold to any religious beliefs or to none.

His office is in the front quad, Staircase 6, Room 6. Students are welcome to knock on his door at any time, or to contact him by phone or by email, and the Lodge can often help to find him.

Andrew leads the Welfare Team and also administers some of our hardship funds.

All visits are dealt with in the strictest of confidence and will not be discussed with the college without your consent. There is no need to book an appointment, just go to the clinic in Kybald House, ring or email which ever you find easier. If you are too unwell to get to the clinic the nurse may be able to visit you in your room.

Details about welfare support can be found here.

There are also Welfare Officers available in the Common Room and Univ operates a Graduate Peer Support Scheme.
HEALTH

Before coming to College all students must register with the College Doctors. Information on how to register is available in the Welcome Pack. You should also make sure that all immunisations are up to date. It is strongly recommended that all UK and international students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. If available to you, we would also recommend that you have a Covid-19 vaccination. The doctors are based at 19 Beaumont Street (about a 10 minute walk from College) and they offer Univ students high quality clinical and associated welfare support. It is recommended that students have a UK registered mobile phone in case the doctor needs to contact you in an emergency. If you take any regular medication you must ensure that you bring at least one month’s supply with you.

Most students will get NHS dental treatment until they are 19 years old. This does involve some cost. Thereafter, it may be difficult to find NHS dentists in Oxford. Our advice is to stay registered with your dentist at home and to use Oxford dentists in an emergency. Students wishing to use a dentist in Oxford may wish to use Studental (the student dentist service located at Oxford Brookes University).

Students are advised, in case of flu or COVID-19, to bring the following items to College: a thermometer, tissues and paracetamol. A basic first aid pack may also be useful.

ACTION POINTS

• Read the documents about meningitis, mumps and flu
• Complete the online registration for 19 Beaumont Street no later than 1 September 2021.
DISABILITY

If you have already made a formal declaration of disability on your UCAS form, you should by now have received an information pack from the University’s Disability Advisory Service. If you have not received an information pack, please contact the Disability Advisory Service urgently on tel: +44 (0)1865 280459 or Disability@admin.ox.ac.uk

If you have a disability that you have not yet declared, it is not too late to do so using the declaration form that is available here. You are not under any obligation to disclose details of your disability either to the College or to the Disability Advisory Service, but we can only provide you with appropriate support if we are made aware, in a timely manner, of any particular needs that you may have. We strongly encourage any student who has a disability to disclose it at the earliest opportunity. Should you provide such information, it will be shared on a need-to-know basis within the terms of the College’s confidentiality policy. Further information and advice is available from the University’s Disability Advisory Service Disability@admin.ox.ac.uk

Please check with your department or faculty who acts as the departmental Disability Co-ordinator. You should contact that person as soon as possible to discuss any support and reasonable adjustments you require.

Additional information is available on our website and in our Handbook of Information and Regulations and also on the website of the Disability Advisory Service.

ACTION POINTS

• Check that you have received your disability pack if you are expecting one and if not, contact the Disability Advisory Service immediately.
The following website provides useful information for international students coming to Oxford: ox.ac.uk/students/new and we strongly recommend you read it carefully.

It is worth noting that before you arrive in the UK you need to do the following:

1) It is strongly recommended that all UK and International students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. If one is available to you, we would also recommend you receive a COVID-19 vaccination. If this is not possible you should consult the College Doctor immediately on arrival. Information about these vaccines is on the College website. You should note that students from Britain and Ireland can receive free treatment under the National Health Service (NHS) and students who are in full-time education and under the age of 19 are exempt from most NHS charges, e.g. prescriptions. However, there is an immigration health charges for access to NHS treatment for international students studying in the UK on Student visas. Information about the charge can be found here.

2) All international students (Non-EU, Non-European Economic Area (EEA) Nationals and EU, EEA Nationals and Switzerland nationals who came to the UK on or after 1 January 2021) coming to Oxford to study a full-time course of more than 6 months must obtain a Student Visa (under the Student Route) before coming to the UK to start a course. If you do not have a Student Visa when you arrive, you will not be allowed to enter the UK. Graduates who have fulfilled all the conditions will receive their CAS number (the number you need from the University to apply for a visa) via email from their University department if you have any queries, please consult your department.
INTERNATIONAL STUDENTS

Your passport must continue to be valid for at least 6 months from arrival in the UK. We advise that you photocopy it, both the front and back, as well as the page or card with the approved UK entry clearance. In the event that your passport is lost or stolen, this will help you prove that you have already been cleared to remain in the UK for the duration of your studies. Once you have arrived in Oxford you will need to collect your Biometric Residence Permit (BRP (visa)). For more information about collecting your BRP please visit this website.

During Welcome Week, if you elected to collect your BRP card from the Post Office you must bring your passport and BRP to the Academic Office so that it can be scanned and stored in accordance with the UK Home Office requirements. It will not be possible for you to complete registration if your passport and BRP have not been scanned. If your visa states that you need to register with the Police, then you must do this within 7 days of arrival in the UK. Details about registering with the Police can be found here.

3) You should consider booking your flight home for December before you come to Oxford as flights are expensive and difficult to get in December. Check with your airline about the maximum time periods between flights, in case you have to change your flight. Most airlines offer open tickets with 6 or 12 months’ validity for a return flight. Remember when booking your return flight that you are not allowed to leave Oxford before Saturday of 8th week in each term. You must be back on the Thursday of the week before term starts in January (i.e. by no later than 13 January 2022).

4) Consider getting an international student card which will entitle you to discounts all over the world if you're intending to travel. The NUS card now includes international students.
5) As mentioned in the ‘Fees and Finance’ section, it can take a while to open a UK bank account, so we advise that you bring some British money (£300 to £350). You could also consider applying for a supplementary credit card through your parents for emergencies as some travel sites and airline companies require payment by credit card. If you manage to obtain a credit card in the UK, it is likely that your credit limit will only be £350.

6) Remember to register with the College Doctors, even if you do not plan to use the NHS, in case you become ill during exams etc.

**Finally, remember to bring these essential documents:**

- [ ] Passport and BRP (visa)
- [ ] Air tickets
- [ ] Letter of acceptance from Univ
- [ ] Letter specifying financial support
- [ ] Details of your CAS number

*Put the originals of these in your hand luggage as you might be required to show them at border control.*

*Bring copies of all documents in your hand luggage and main luggage.*

**ACTION POINTS**

- Read: The New Student page on our website.
- Remember to pack all essential documents in your hand luggage, with spare copies in your main luggage.
LIVING AT UNIV

Full Term Dates 2021/22

Michaelmas term: Sunday 10 October – Saturday 4 December
Hilary term: Sunday 16 January – Saturday 12 March
Trinity term: Sunday 24 April – Saturday 18 June

Accommodation Long Contract Dates

Sunday 3 October 2021 – Saturday 18 June 2022

There may be an opportunity to request extra residence after 18 June 2022. You may need to move rooms but accommodation is normally available during long vacation.

All graduates on taught courses must be in College by 12 noon on the Thursday before the start of every full term (ie. by Thursday of week nought: see Jargon Buster).

Bedrooms

Most bedrooms have a single bed and share a bathroom/shower with approx 3-5 other students. Please bring your own bed linen (we supply a mattress protector), or you can purchase a bedding pack from the Domestic Bursary (Domestic.Bursary@univ.ox.ac.uk), which will be left in your allocated room on arrival. These do need to be pre-ordered and the cost is £45 per pack, this charge will be added to your batells (see Jargon Buster). Packs include a duvet, duvet cover, pillow, pillow case and fitted bed sheet.

The use of the following items are banned in student rooms: microwaves, toasters, sandwich makers, rice cookers, electric fires/heaters, electric guitars, infrared lamps, fairy lights. Other electrical appliances can only be brought if you can guarantee their safety (evidence of PAT certification); if they’re over two years old get them checked by a qualified electrician before coming to College, and bring proof of PAT testing with you.
Food

Food is reasonably priced at Univ and it is considered to be amongst the best in Oxford. Food at Univ offers great variety and includes hot meals, soups, salad, home-made baguettes and Grab and Go sweet items made on site; wherever possible using local suppliers and seasonal produce. The Buttery is self-service. Breakfast cost is between £1.50 - £4.50, Buttery lunch and dinner typically cost between £3.00 - £7.00 depending on what you choose. We ensure all diets are catered for, please speak to Buttery staff if you have any questions. On nights where you can sign up for Formal Hall, which is a sit down served event, cost is currently £10.38 for three courses, with guests paying £15.86. You pay for food using your Bod Card (see Jargon Buster).

Kitchens

Every Graduate house has a shared kitchen so you can self-cater if preferred. You will need to bring your own pots/pans and cooking equipment or purchase in Oxford when you arrive.

We expect all kitchens to be kept clean and tidy, respecting all users.

Scouts (cleaners)

At Univ we have a fantastic team of scouts who work hard to keep the College clean and tidy at all times. They will clean all communal areas Monday - Friday including shared bathrooms/showers and kitchens.

The scouts won’t do your washing up, but ensure cleanliness for all users. Each house has a dedicated scout. They normally come in to bedrooms once every few weeks to vacuum and clean sinks, this will be agreed with you within your first week by your scout. Please ensure that your room is tidy on the designated cleaning day. Some students prefer to clean their own room which is fine.
LIVING AT UNIV

Laundry

There is a washing machine and tumble dryer in each graduate building. This is a self-service laundry area which graduate students are responsible for keeping clean.

Students will have to provide their own detergents.

Insurance

We have a block insurance policy through Endsleigh for most personal belongings on the main site. For further details of what this covers see their website.

Sustainability at Univ

The College takes seriously its role in living sustainability and reducing energy use and waste on all its sites. We have lots of advice and guidance on our website but we are fanatical about recycling. You will have 2 bins in your room. One is a blue bin for all recycling. Oxford operates on a mixed recycling scheme, so anything you can recycle goes into the blue bin (except glass - we ask students to take glass to the outside bins themselves). All food waste should be disposed of in the food waste caddies which can be found in the communal kitchen. All other waste (non recyclables) goes into the black bin. You should leave your bins outside your room each morning and the scout will empty and replace with a clean bin liner. If any blue bins are contaminated with food/tea bags etc, then all the contents will have to go to waste, so please be extra careful as we take our recycling very seriously. We appreciate your cooperation with this.

MATRICULATION

In order to become a member of the University, you need to matriculate. The matriculation ceremony will take place on Saturday 16 October 2021. Proceedings will start with a roll-call in the Main Quadrangle, followed by the Freshers’ Photograph, which will be taken in the Radcliffe Quadrangle.

It takes some time to organise the photograph, and the timetable is tight. Please ensure you are in the Main Quadrangle in Univ by 11.45am dressed in sub fusc (see Jargon Buster). You should also bring with you your University Card. Matriculating students process straight from the photograph to the matriculation ceremony in the Sheldonian Theatre. There will be no opportunity to return to your room between the taking of the photograph and the ceremony.

Only matriculating students can attend the ceremony, which is not open to the public or to guests. Some visiting students, some graduates of Cambridge University or Trinity College Dublin, and students who have already matriculated at Oxford, do not matriculate. They are however warmly invited to join the photograph and should report for roll call along with the Freshers.

Matriculation is administered by the Undergraduate Studies Officer

FEES AND FINANCE

Upon arrival at University it is essential that you open a bank account. This can take weeks. There are several banks with branches located in Oxford and close to Univ, so have a look at what they offer. To open an account the bank will require several pieces of information, one of which will be confirmation from the College that you are a student here (this can be obtained via the self-service portal on the University website and then stamped as verification by the Academic Office).

You will receive your batells bill by email on the Thursday of 0th week. Batells are College bills for accommodation or for the Access to Facilities charge. The Access to Facilities charge is paid by all students but is included in the rent for those living in college accommodation. The fee is currently £205.65 annually, £68.55 per term. All fees are due for payment at the beginning of the academic year and will be on the first invoice of that year. Payments can be made online via the intranet or by bank transfer (bank account details are clearly shown on your batells invoice). If you think it is going to be difficult for you to pay your batells upfront, speak to the Domestic Bursar as she may agree to payment by instalments.

Batells are due for payment on the following dates:

- **Michaelmas term:** 23 October 2021
- **Hilary term:** 29 January 2022
- **Trinity term:** 7 May 2022
- **Long vacation:** 31 August 2022

Batells will be addressed to you. Alternatively, if you are receiving support from any grant-making body that has agreed to pay fees, then those bodies will be invoiced directly. If there are any problems with this when your batells come through please contact Angela Gardiner in the Treasury immediately. Failure to pay on time may result in financial and other penalties, both within the College and the University.
FEES AND FINANCE

The staff involved in invoicing and receiving college payments are:

College Accountant (Mr Tim Croft)
E: Tim.Croft@univ.ox.ac.uk
T: +44 (0)1865 276622
Mr Croft is the chief finance officer (operations).

Treasury Assistant (Mrs Angela Gardiner)
E: Angela.Gardiner@univ.ox.ac.uk
T: +44 (0)1865 276616
Mrs Gardiner looks after your batells and ensures you receive the grants you are entitled to.
FEES AND FINANCE

The College expects all students to have full funding in place prior to the start of their course and for the duration of the course. Additional financial aid from the College (other than Old Members’ Trust Bursaries for UK undergraduates) is not available to meet anything other than short-term, unexpected financial difficulties.

In addition to fees, you will have to pay living expenses (rent and food). For 2021-22 the following estimates apply:

The University estimates that £14,100-£20,520 will cover all living expenses for a 12 month period. The University estimates that students who are on 9 month programmes of study will require £10,575-£15,390 for living expenses.

All graduates need to fill out the Treasury form (available on our website in the section for new students) and return it to the Academic Office.

Further general information about funding can be found here.

ACTION POINTS

MANAGING YOUR FINANCES

University life can lead to a high degree of impulsive spending. With so much academic work to do, it can seem that the best thing to do on a night off is to go out and spend more than you can afford. The only way you can be in control of your money is if you are aware of how much you have and how you are spending it.

Good ways to manage your money

Pay all bills at the start of term. Pay your batells, clear any credit card bills, insurance etc. These should always be a priority because they do not go away. Credit card interest is a drain on your funds.

If you ‘live out’, work how much you will need for essential bills until your next termly instalments and put that much aside in a savings account attached to your current account. This way, you can avoid spending it. Work out how much money remains and divide it between the weeks for which you will need money before the next lot of income is received.

If you receive funds monthly, set up all your bills to be paid by standing order. This might include your credit card (if you have one), your mobile phone, and any other costs. Calculate how much remains for each month.

Once you know how much disposable income you have, find a method that suits you best to ensure that you do not overspend.

Record every withdrawal, either on an Excel spreadsheet, on a smartphone finance app or in a notebook. Always get receipts when you withdraw money or put something on your card (even if it is a small amount). This will allow you to ensure that you do not overspend.
MANAGING YOUR FINANCES

If you do not like to record everything, get into a habit of asking to see your balance when you withdraw money. It is tempting to avoid this question because when you are withdrawing money for a night out you do not want to know little you have to spend. Check as a matter of course, and then you will be in control.

If any of the above options are too tedious, withdraw the amount of money you are able to spend at the beginning of a week. Then, put all cards away until you can make the next withdrawal. In this way, you can keep complete control over your finances and ensure that you know what is happening.

Be realistic about your expenditure. For example, if you smoke, then budget for cigarettes and accept that this will mean that you cannot spend money on other things. Be honest with yourself about what you are spending and why you are spending it.

Other tips

• Do not get a credit card or store card unless you are certain you can live within your means.
• If you do not have a regular income, switch your mobile phone to a Pay As You Go contract.
• Don’t spend large sums on books or music and convince yourself that it was for your degree.
• Don’t agree to eat out with friends if you cannot afford it.
• Never lend money to someone else.
• Get a vacation job (provided it doesn’t interfere with your academic progress).
• Get a supermarket loyalty card (eg. Nectar Card, ClubCard).

TRAVELLING TO/IN OXFORD

Cycling

Cycling is very popular within the city centre and many students find this the best way to get to and from lectures on time! There is no need to bring a bike as there will be plenty of second-hand ones on offer when you get here (take a look at the Daily Info website). Cycling safely is very important and we suggest you wear a helmet and high visibility clothing. When cycling in the dark, front and rear lights are always required. Bike theft is very common, so it’s a good idea to bring a sturdy lock and always try and lock your bike to something. More information can be found on the University website.

Cars

There are no parking facilities at University College.

There are 5 Park and Ride sites situated on the outskirts of Oxford where you can park your car (a charge is payable) and then hop on the bus into the city centre. The return fare is currently around £2.80. Further information can be found on the Oxford Bus Company website.

Buses

The main bus operators in Oxford are Oxford Bus Company and Stagecoach. Single fares to outside the city centre start at about £2, but you can get pretty much anywhere you want to go within Oxfordshire for about £7 return.

In the centre of Oxford, the easiest way to get around is to walk.
