About the College

University College ("Univ") founded in 1249, is the oldest educational foundation in Oxford. The College has approximately 360 undergraduate students, 200 graduate students and 50 Fellows.

Similar to other Oxford colleges, Univ is an independent, self-governing establishment. Univ is headed by the Master and led by the Governing Body of Fellows, which has overall responsibility for all aspects of running the College.

Univ has an endowment of over £140 million and a mature and well-established fundraising programme. It is one of the leading Colleges in Oxford for fundraising and alumni relations and amongst the most widely supported Annual Funds of UK higher institutions by a considerable margin.

The Development Team

Univ established a full-time Development Office in 1997. The Development Office is primarily responsible for alumni relations and fundraising. More than a third of Old Members regularly make a gift to the College.

The Development team comprises nine members of staff: Director of Development; Deputy Director of Development; Senior Development Executive; Head of Development Operations; Regular Giving Manager; Events Officer; Donor Relations Officer; Database Officer; and a Development Coordinator. While each member has specific responsibilities, it is a friendly "all hands on" office where considerable teamwork is welcomed and expected.
