

# UNIVERSITY COLLEGE

## WELCOME WEEK 2022

Welcome to Univ! This timetable contains all you need to navigate Welcome Week at Univ.

Activities marked in **YELLOW** and **EMBOLDENED** are organised by the college and/or your subject tutors. **Attendance is compulsory at these activities and should take precedence over all other commitments.** For some of these events, particularly the Library Inductions, Sexual Consent Workshops, Equality, Diversity and Inclusivity Workshops, and sessions with Study Buddies, students have been divided into small groups by subject. Please read the timetable carefully to check that you attend the correct event. An appendix is also included that provides a subject-by-subject overview of the schedule for these events.

Activities marked in **BLUE** are organised by the JCR (or another student organisation such as the Oxford SU), and you are free to take part as much or as little as you would like. Activities followed by 🍷🍷 are evening events (18.00 or later) organised by the JCR that are planned to include alcoholic drinks. Non-alcoholic drinks will, of course, also be available. Activities followed by 🍷 are evening events (18.00 or later) that do not include alcoholic drinks.

**If you are observing Yom Kippur** and your subject group is listed for a compulsory attendance activity on Wednesday, please do not hesitate to attend the activity on an alternative day. Please note, you should not switch groups for any other reason without first seeking permission by emailing [academic.office@univ.ox.ac.uk](mailto:academic.office@univ.ox.ac.uk). For students observing Yom Kippur, details of the Yom Kippur services of the [Oxford Jewish Congregation](#) can be found on the notice boards in the JCR. If you wish to order a kosher meal to break your fast on the 5<sup>th</sup> of October, please email [academic.office@univ.ox.ac.uk](mailto:academic.office@univ.ox.ac.uk) by 12.00pm on Tuesday 27<sup>th</sup> of September.

You will be notified of any Departmental/Faculty induction events for your subject that you must attend by your Department or Faculty. These usually are timetabled on Thursday and Friday, but some inductions may take place at other times.

Your subject tutors may also contact you to organise subject meetings during Welcome Week.

Short 30-minute webinars have been scheduled into your timetable to introduce you to the University's Bodleian Libraries and how they can help you on your course. These will take place via Microsoft Teams. There is no need to register; just click the link in your timetable to join the webinar at your preferred time. You will get the best experience by joining via the [Teams desktop app](#), but you can join via a browser too (Google Chrome is recommended). If you have any accessibility requirements you would like to declare, please contact [used@bodleian.ox.ac.uk](mailto:used@bodleian.ox.ac.uk).

During Welcome Week, any alterations to the following college timetable, as well as any last minute additions, will be displayed on large notice boards in the JCR. If you have any queries, please do not hesitate to contact the JCR President, Shermar Pryce, at [jcr.president@univ.ox.ac.uk](mailto:jcr.president@univ.ox.ac.uk). The Lodge can be reached at 01865 276602.
