WELCOME FROM THE MASTER

A very warm welcome to Univ. I am delighted that you are joining us this year. Univ has a long and rich history with a commitment to excellence. Our students come from a range of backgrounds and have a number of things in common: Intellectual curiosity, a passion for their subject and an ambition to do well. We want you to make the best of an Oxford education.

Univ combines the old and the new. Our beautiful old buildings have been fully modernised and our gardens are an oasis of peace. Yet we are in the centre of the city, minutes away from the main libraries, lecture halls, laboratories, shops, restaurants, pubs, parks, and the river. There is ample opportunity to get involved in societies, music, drama, sport, politics and community work and to learn from each other as well as from your tutors. The spirit is relaxed, supportive and friendly. You can be yourself at Univ. I look forward to meeting you.

Baroness Valerie Amos

WELFARE

We hope that you will enjoy your time at Univ. But everyone runs into difficulties from time to time and university life inevitably involves challenges of its own. Most of the time most of us get support from our families or friends, but sometimes you may think that they are not the right people to help, or you might not want to overburden them. These are reasons why the College and the University have people with designated welfare roles. We are keen to help and are paid to be available, so feel free to contact any one of us with anything that may be bothering you. People at Univ to whom you can turn for help include the following:

Chaplain and Welfare Fellow (Dr Andrew Gregory)

E: Andrew.Gregory@univ.ox.ac.uk

T: +44 (0)1865 276663

Andrew is available to any student who wishes to speak to him about any matters of concern, whether academic difficulties, emotional issues, or anything else that might be troubling you. He will be glad to listen and can offer you time and support, or point you in the direction of other people who might be better placed to help you to address the issue or circumstances that you are facing.

The College is a very diverse community, and most of Andrew's work takes place in a context of pastoral support in which no assumptions are made as to whether individuals hold to any religious beliefs or to none.

His office is in the front quad, Staircase 6, Room 6. Students are welcome to knock on his door at any time, or to contact him by phone or by email, and the Lodge can often help to find him.

Andrew leads the Welfare Team and also administers some of our hardship funds.

HEALTH

Before coming to College all students are strongly encouraged to register with the College Doctors. Information on how to register is available in the Welcome Pack. You should also make sure that all immunisations are up to date. It is strongly recommended that all UK and international students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. If available to you, we would also recommend that you have a Covid-19 vaccination. The doctors are based at 19 Beaumont Street (about a 10 minute walk from College) and they offer Univ students high quality clinical and associated welfare support. It is recommended that students have a UK registered mobile phone in case the doctor needs to contact you in an emergency. If you take any regular medication you must ensure that you bring at least one month's supply with you.

Most students will get NHS dental treatment until they are 19 years old. This does involve some cost. Thereafter, it may be difficult to find NHS dentists in Oxford. Our advice is to stay registered with your dentist at home and to use Oxford dentists in an emergency. Students wishing to use a dentist in Oxford may wish to use Studental (the student dentist service located at Oxford Brookes University).

Students are advised, in case of flu or COVID-19, to bring the following items to College: a thermometer, tissues and paracetamol. A basic first aid pack may also be useful.

College Doctors - 19 Beaumont Street, OX1 2NA

19beaumontstreet.com T: +44 (0)1865 240501

Emergency Dentist - T: +44 111

The John Radcliffe Hospital - T: +44 (0)300 3047777

University Counselling Service - T: +44 (0)1865 270300

ACTION POINTS

- Read the Immunisation Advice Letter on the [New Students page](#).
- Complete the online registration for 19 Beaumont Street no later than 1 September 2023.

DISABILITY

If you have already made a formal declaration of disability on your UCAS form, you should by now have received an information pack from the University's Disability Advisory Service. If you have not received an information pack, please contact the Disability Advisory Service urgently on tel: +44 (0)1865 280459 or Disability@admin.ox.ac.uk

If you have a disability that you have not yet declared, it is not too late to do so using the declaration form that is available [here](#). You are not under any obligation to disclose details of your disability either to the College or to the Disability Advisory Service, but we can only provide you with appropriate support if we are made aware, in a timely manner, of any adjustments that you may require. We strongly encourage any student who has a disability to disclose it at the earliest opportunity. Should you provide such information, it will be shared on a need-to-know basis within the terms of the College's confidentiality policy. Further information and advice is available from the University's Disability Advisory Service Disability@admin.ox.ac.uk

Additional information is available on our website and in our Handbook of Information and Regulations and also on the website of the [Disability Advisory Service](#).

The [University's Counselling Service](#) is also available to assist should you find yourself experiencing any difficulties. The Service offers free and confidential support. More details can be found on the [website](#).

ACTION POINTS

- Check that you have received your disability pack if you are expecting one and if not, contact the [Disability Advisory Service immediately](#).

INTERNATIONAL STUDENTS

The following website provides useful information for international students coming to Oxford: ox.ac.uk/students/new and we strongly recommend you read it carefully.

Note for international undergraduates arriving prior to Welcome Week: If you need to arrive at Univ before Welcome Week you should email Shane.Pledge@univ.ox.ac.uk to see if this is possible. We may be able to welcome you in advance.

However, it is worth noting that before you arrive in the UK you need to do the following:

1) It is strongly recommended that all UK and International students born after 1982 should have both the MMR and the Meningitis C vaccinations before arriving in Oxford. If this is not possible you should consult the College Doctor immediately on arrival. If one is available to you, we would also recommend you receive a COVID-19 vaccination. Information about these vaccines is on the [College website](#). You should note that students from Britain and Ireland can receive free treatment under the National Health Service (NHS) and students who are in full-time education and under the age of 19 are exempt from most NHS charges, e.g. prescriptions. However, there is an immigration health charges for access to NHS treatment for international students studying in the UK on Student visas. Information about the charge can be found [here](#).

2) All international students (Non-EU, Non-European Economic Area (EEA) Nationals and EU, EEA Nationals and Switzerland nationals who do not hold settled or pre-settled status) excluding Irish nationals, coming to Oxford to study a full-time course of more than 6 months must obtain a Student Visa (under the Student Route) before coming to the UK to start a course. If you do not have a Student Visa when you arrive, you will not be allowed to enter the UK. Undergraduates and visiting students will receive their CAS number (which is needed to apply for a visa) via email from the College when they have met all the conditions of their offer and completed their financial declaration.

INTERNATIONAL STUDENTS

Your passport must continue to be valid for at least 6 months from arrival in the UK. We advise that you photocopy it, both the front and back, as well as the page or card with the approved UK entry clearance. In the event that your passport is lost or stolen, this will help you prove that you have already been cleared to remain in the UK for the duration of your studies. Once you have arrived in Oxford you will need to collect your Biometric Residence Permit (BRP (visa) unless you have been granted an eVisa. For more information about collecting your BRP please visit this [website](#).

In advance of Welcome Week, you should provide the Academic Office with a scan of your passport ID page. You will receive instructions for this from the Academic Office by email. After your arrival, you must collect your BRP card from the St Aldates Post Office and share a scan of the card with the Academic Office so it can be stored in accordance with the UK Home Office requirements. If you are issued with an eVisa, you will need to provide the Academic Office with a share code. It will not be possible for you to complete registration if the college does not hold a copy of your passport and BRP/eVisa.

3) You should consider booking your flight home for December before you come to Oxford as flights are expensive and difficult to get in December. Check with your airline about the maximum time periods between flights, in case you have to change your flight. Most airlines offer open tickets with 6 or 12 months' validity for a return flight. Remember when booking your return flight that you are not allowed to leave Oxford before Saturday of 8th week in each term. You must be back on the Thursday of the week before term starts in January (i.e. by no later than 11 January 2024).

4) Consider getting an international student card which will entitle you to discounts all over the world if you're intending to travel. The [NUS card](#) now includes international students.

INTERNATIONAL STUDENTS

5) As mentioned in the '[Fees and Finance](#)' section, it can take a while to open a UK bank account, so we advise that you bring some British money (£300 to £350). You could also consider applying for a supplementary credit card through your parents for emergencies as some travel sites and airline companies require payment by credit card. If you manage to obtain a credit card in the UK, it is likely that your credit limit will only be £350.

6) Remember to register with the College Doctors, even if you do not plan to use the NHS, in case you become ill during exams etc.

Finally, remember to bring these essential documents:

- ☐ Passport and BRP (visa)
- ☐ Air tickets
- ☐ Letter of acceptance from Univ
- ☐ Letter specifying financial support
- ☐ Details of your CAS number

Put the originals of these in your hand luggage as you might be required to show them at border control.

Bring copies of all documents in your hand luggage and main luggage.

ACTION POINTS

- Read: The [New Student page](#) on our website.
- Remember to pack all essential documents in your hand luggage, with spare copies in your main luggage.

Hilary Term: Sunday 7 Jan 2024 – Saturday 10 March 2024

Bedrooms

Most bedrooms have a single bed and share a bathroom/shower with approximately 3-5 other students. Please bring your own bed linen (we supply a mattress protector, or you can purchase a bedding pack from the Domestic Bursary (Accommodation@univ.ox.ac.uk), which will be left in your allocated room on arrival. These do need to be pre-ordered and the cost is £45 per pack, this charge will be added to your batells (see [Jargon Buster](#)). Packs include a duvet, duvet cover, pillow, pillow case and fitted bed sheet.

The use of the following items are banned in student rooms: microwaves, toasters, sandwich makers, rice cookers, electric fires/heaters, electric guitars, infrared lamps, fairy lights. Other electrical appliances can only be brought if you can guarantee their safety (evidence of PAT certification); if they're over two years old get them checked by a qualified electrician before coming to College, and bring proof of PAT testing with you.

Food

Food is reasonably priced at Univ and it is considered to be amongst the best in Oxford. Food at Univ offers great variety and includes hot meals, soups, salad, home-made baguettes and Grab and Go sweet items made on site; wherever possible using local suppliers and seasonal produce. The Buttery is self-service. Breakfast cost is between £2.00 - £6.00, Buttery lunch and dinner typically cost between £5.00 - £10.00 depending on what you choose. We ensure all diets are catered for, please speak to Buttery staff if you have any questions. On nights where you can sign up for Formal Hall, which is a sit down served event, cost is currently £17.09 for three courses, with guests paying £26.26. You pay for food using your Bod Card (see [Jargon Buster](#)).

Kitchens

You will find shared kitchens across the main site on certain staircases and buildings. You will need to bring your own pots/pans and cooking equipment or purchase in Oxford when you arrive.

We expect all kitchens to be kept clean and tidy, respecting all users.

Scouts (cleaners)

At Univ we have a fantastic team of scouts who work hard to keep the College clean and tidy at all times. They will clean all communal areas Monday - Friday including shared bathrooms/showers and kitchens. The scouts won't do your washing up, but ensure cleanliness for all users. Each house has a dedicated scout. They normally come in to bedrooms once every few weeks to vacuum and clean sinks, this will be agreed with you within your first week by your scout. Please ensure that your room is tidy on the designated cleaning day. Some students prefer to clean their own room which is fine.

LIVING AT UNIV

Laundry

There is a fully-equipped, self-service laundry in the basement of Staircase 11 on the main college site. Washing machines cost £2.70 a wash and dryers £2.50, the machines use contactless card or apple pay/android pay.

Insurance

We have a block insurance policy through Endsleigh for most personal belongings on the main site. For further details of what this covers, simply visit their [website](#) and enter the College details.

Sustainability at Univ

The College takes seriously its role in living sustainability and reducing energy use and waste on all its sites. We have lots of advice and guidance on our website but we are fanatical about recycling. You will have 2 bins in your room. One is a blue bin for all recycling. Oxford operates on a mixed recycling scheme, so anything you can recycle goes into the blue bin (except glass - we ask students to take glass to the outside bins themselves). All food waste should be disposed of in the food waste caddies which can be found in the communal kitchen. All other waste (non-recyclables) goes into the black bin. You should leave your bins outside your room each morning and the scout will empty and replace with a clean bin liner. If any blue bins are contaminated with food/tea bags etc, then all the contents will have to go to waste, so please be extra careful as we take our recycling very seriously. We appreciate your co-operation with this.

You will receive an email with the details and timings during your first week. It takes some time to organise the photograph, and the timetable is tight. Please ensure you are in the Main Quadrangle in Univ at the time specified in the email dressed in sub fusc (see [Jargon Buster](#)). You should also bring with you your University Card. Matriculating students process straight from the photograph to the matriculation ceremony in the Sheldonian Theatre. There will be no opportunity to return to your room between the taking of the photograph and the ceremony.

Only matriculating students can attend the ceremony, which is not open to the public or to guests. Some visiting students, some graduates of Cambridge University or Trinity College Dublin, and students who have already matriculated at Oxford, do not matriculate. They are however warmly invited to join the photograph and should report for roll call along with the Freshers.

FEES AND FINANCE

Upon arrival at University it is essential that you open a bank account. This can take weeks. There are several banks with branches located in Oxford and close to Univ, so have a look at what they offer. To open an account the bank will require several pieces of information, one of which will be confirmation from the College that you are a student here (this can be obtained via the self-service portal on the University website and then stamped as verification by the Academic Office).

You will receive your batells bill by email on the Thursday of 0th week. Batells are College bills for accommodation or for the Access to Facilities charge. The Access to Facilities charge is paid by all students but is included in the rent for those living in college accommodation. The fee is currently £225.19 annually, £75.06 per term. All fees are due for payment at the beginning of the academic year and will be on the first invoice of that year. Payments can be made online via the intranet or by bank transfer (bank account details are clearly shown on your batells invoice). If you think it is going to be difficult or you to pay your batells upfront, speak to the Domestic Bursar as she may agree to payment by instalments.

Batells are due for payment on the following dates:

Michaelmas term: 21 October 2023

Hilary term: 27 January 2024

Trinity term: 4 May 2024

Long vacation: 31 August 2024

Batells will be addressed to you. Alternatively, if you are receiving support from any grant-making body that has agreed to pay fees, then those bodies will be invoiced directly. If there are any problems with this when your batells come through please contact Viktoriia Sediashva in the Treasury immediately. Failure to pay on time may result in financial and other penalties, both within the College and the University.

FEES AND FINANCE

The staff involved in invoicing and receiving college payments are:

College Accountant (Mr Tim Croft)

E: Tim.Croft@univ.ox.ac.uk

T: +44 (0)1865 276622

Mr Croft is the chief finance officer (operations).

Treasury Assistant (Ms Viktoriia Sediashcheva)

E: Treasury@univ.ox.ac.uk

T: +44 (0)1865 276616

Ms Sediashcheva looks after your batells and ensures you receive the grants you are entitled to.

FEES AND FINANCE

The College expects all students to have full funding in place prior to the start of their course and for the duration of the course. Additional financial aid from the College (other than Old Members' Trust Bursaries for UK undergraduates) is available to students who find themselves in financial difficulty, due to unexpected changes in their circumstances and also for other reasons.

In addition to fees, you will have to pay living expenses (rent and food). For 2023-24 the following estimates apply:

Home: On the basis of the maximum, means-tested, undergraduate maintenance loan (or the minimum loan with parental contribution) you are likely to manage financially if you pay no rent in the vacations and live carefully. If you pay for rent and food in vacations you will need a further source of money.

Overseas: The University estimates that students who are on 9 month programmes of study will require £11,610-£16,560 for living expenses. These estimates do not include the costs of air travel home or visa costs.

All undergraduates need to fill out the Treasury form (available on our website in the section for [new students](#)) and return it to the Academic Office.

Undergraduates must read the '[Student Financial Guide 2023-24](#)' which can be found on our website.

Further general information about funding can be found [here](#).

ACTION POINTS

- Open a bank account.
- Download the Treasury form from the College [website](#). Return the completed form to College by 1 September 2023.

FINANCIAL ASSISTANCE

There are limited funds available for financial hardship, but the College currently offers a number of other financial awards and funds to students, including:

Vacation Study Grants for undergraduates - to help contribute towards the cost of accommodation for undergraduates who need to stay in Oxford outside term to sit examinations or for academic projects. This fund is cash-limited.

Travel Grants – There are a variety of funds available to assist with the costs of academic projects and travel for academic and other purposes (including joining a Chalet reading party).

Book and Equipment Grants – to help students with the cost of purchasing books or equipment essential to their degree course (up to a maximum of £60). This grant can be claimed at any point but only once during your time as an undergraduate. You can claim it once you are in Oxford using a form on the College intranet.

Language Grants – You can claim 50% of the cost of language courses taken at the University Language Centre with the receipt, certificate of completion and form (available from the College intranet)

Student Support Fund– For students in financial need of hardship for unexpected reasons, contact the Welfare Fellow
E: Welfare.Fellow@univ.ox.ac.uk

Old Members' Trust Undergraduate Bursaries– for students assessed as being eligible before they come to the College. These bursaries are funded through the generosity of Old Members (college alumni) and administered by a committee of the Old Members' Trust. Contact the Academic Office for details.

Job Opportunities– Univ can sometimes offer students work during vacations, provided it does not interfere with their academic work. Undergraduates are not usually allowed to take paid employment during full term.

Details of other sources of funding, including the University Hardship Fund, can be found on the College website and in the Student Financial Guide 2023.

MANAGING YOUR FINANCES

University life can lead to a high degree of impulsive spending. With so much academic work to do, it can seem that the best thing to do on a night off is to go out and spend more than you can afford. The only way you can be in control of your money is if you are aware of how much you have and how you are spending it.

Good ways to manage your money

Pay all bills at the start of term. Pay your bills, clear any credit card bills, insurance etc. These should always be a priority because they do not go away. Credit card interest is a drain on your funds.

If you 'live out', work out how much you will need for essential bills until your next termly instalments and put that much aside in a savings account attached to your current account. This way, you can avoid spending it. Work out how much money remains and divide it between the weeks for which you will need money before the next lot of income is received.

If you receive funds monthly, set up all your bills to be paid by standing order. This might include your credit card (if you have one), your mobile phone, and any other costs. Calculate how much remains for each month.

Once you know how much disposable income you have, find a method that suits you best to ensure that you do not overspend.

Record every withdrawal, either on an Excel spreadsheet, on a smartphone finance app or in a notebook. Always get receipts when you withdraw money or put something on your card (even if it is a small amount). This will allow you to ensure that you do not overspend.

MANAGING YOUR FINANCES

If you do not like to record everything, get into a habit of asking to see your balance when you withdraw money. It is tempting to avoid this question because when you are withdrawing money for a night out you do not want to know how much you have to spend. Check as a matter of course, and then you will be in control.

If any of the above options are too tedious, withdraw the amount of money you are able to spend at the beginning of a week. Then, put all cards away until you can make the next withdrawal. In this way, you can keep complete control over your finances and ensure that you know what is happening.

Be realistic about your expenditure. For example, if you smoke, then budget for cigarettes and accept that this will mean that you cannot spend money on other things. Be honest with yourself about what you are spending and why you are spending it.

Other tips

- Do not get a credit card or store card unless you are certain you can live within your means.
- If you do not have a regular income, switch your mobile phone to a Pay As You Go contract.
- Don't spend large sums on books or music and convince yourself that it was for your degree.
- Don't agree to eat out with friends if you cannot afford it.
- Never lend money to someone else.
- Get a vacation job (provided it doesn't interfere with your academic progress).
- Get a supermarket loyalty card (eg. Nectar Card, ClubCard).

IT

All student rooms have a network port on the wall and wireless networking is available across the College campus. Please ensure that before arrival all personal computers have up to date anti-virus software installed and are running a supported and current OS version which is fully up to date. If you have not received your self-service registration details 2 weeks prior to Welcome Week, contact Admissions@univ.ox.ac.uk

BOD CARD

Your Bod Card, short for 'Bodleian Card', is your University Card and it will be given to you at College Registration. It is the key to student life. You will need it to access libraries, borrow books, enter departments and other buildings, buy meals in Hall and as student ID in the city. At the start of Michaelmas term, £150 is automatically added to your Bod Card (this is charged to your Hilary term batells), which is then debited for every meal you have. You can top up your Bod Card online through the Univ intranet. If you lose it the University imposes a charge of £15 for the replacement of lost Bod Cards.

THE LODGE

The Lodge is the first port of call for everyone coming to College. There is a porter on duty, from 7.00am – 11.00pm every day. The Porters are a mine of information and can also offer practical assistance on a whole range of issues. They deal with the post, telephone switchboard, room keys, and other matters concerning the security and smooth running of the College. The porters are able to provide a listening ear and a friendly chat whenever you need it.

EMERGENCIES

All porters are first aiders so the Lodge will usually be first place to contact if you or someone else in College needs first aid or other assistance T: +44(0)1865 276602. A porter can offer immediate assistance, contact other people and advise on whether it is appropriate to call an ambulance.

If you think that you or someone else in College needs emergency assistance and you call an ambulance yourself by ringing 999, you need to be prepared to give the patient’s name, the room number or other location in College, the College address, your phone number, and brief details of the problem. The contact the Lodge T: +44(0)1865 276602; they may need to help the Ambulance Service to find the patient or to get through locked doors.

Please note that during the Lodge’s closed hours you can still find support through OUSS (Security Services) by phoning the Lodge number. OUSS will triage your call and find you the appropriate help, which may include our Junior Deans, or our overnight caretakers in an emergency.

Cycling

Cycling is very popular within the city centre and many students find this the best way to get to and from lectures on time! There is no need to bring a bike as there will be plenty of second-hand ones on offer when you get here (take a look at the Daily Info website). Cycling safely is very important and we recommend you wear a helmet and high visibility clothing. By law when cycling in the dark, front and rear lights are always required. Bike theft is very common, so it's a good idea to bring a sturdy lock and always try and lock your bike to something. More information can be found on the [University website](#).

Cars

There are no parking facilities at University College.

There are 5 Park and Ride sites situated on the outskirts of Oxford where you can park your car (a charge is payable) and then hop on the bus into the city centre. Further information can be found on the Oxford Bus Company [website](#).
