Andrew is available to all members of the College and its staff. The College is a very diverse community, and most of his work takes place in a context of pastoral support in which no assumptions are made as to whether individuals hold to any religious beliefs or to none.

Students and staff wishing to raise questions about God or matters of religious faith and practice are also welcome to contact Andrew, and he will be glad to assist anyone who may wish to make contact with a chaplain or representative of another Christian denomination or another religious faith.
