President's Welcome

Welcome to Univ!

I'm Amelia (she/her), a second year PPE student from London, and your JCR President for the coming year.

Congratulations - you've earned your place, and I hope you're excited. If you're also slightly nervous, that's completely normal, and almost everyone here has stood exactly where you're standing.

Univ is a great place to land. It's one of the friendliest colleges in Oxford, it's right in the middle of town, and the college system means that however chaotic the rest of the university gets, you always have somewhere to come back to.

As JCR President I represent all the undergraduates to College - everything from rent discussions to making sure the JCR has everything it needs. I do it alongside a committee who put on welfare teas, BOPs, formals and a great deal else. You'll meet all of them in the pages that follow.

Mostly, though, I'm here to be asked things. If something's confusing or worrying you, please get in touch - before you arrive or once you're here.

Have a lovely summer. See you in October!

You can reach me at jcr.president@univ.ox.ac.uk or amelia.sinclair@univ.ox.ac.uk

What is the JCR?

The 'JCR', or 'Junior Common Room', means two things.

Firstly, it's the body of undergraduate members of the college - all of us, from first years to finalists. The JCR also has a committee, made up of students, who are here to help you out and to run everything from Welfare Weeks to BOPs for everyone to enjoy.

Secondly, it's a physical room in college, reserved for those members. Our common room is a lively, comfortable space that hosts our welfare teas and much more. One area has a piano, table football, TV, Nintendo Switch and PS5, along with a kitchen and plenty of comfy places to sit and relax. The other has tables for working or playing games. The JCR is on the small, historic Logic Lane, which runs right through Univ.

How can I get involved?

JCR meetings happen every week or two during term, usually on a Sunday evening. They're the main way most students take part in Univ's student democracy, and they have a few key parts.

The first is motions: students propose something and the JCR votes on it — a motion to fund a student project, for example. The second is elections, or hustings where the vote happens later, where you can put yourself forward to join the committee.

There's also free pizza!

You'll find more about JCR meetings, including our standing orders and election timetable, at www.univjcr.com.

Executive Committee

Preet Kaur - JCR VP/Secretary

Hi! I'm Preet (she/her), a second year Classicist and this year's JCR VP/Secretary. My job involves supporting the JCR President, Amelia, and being a key point of contact between the wider JCR and college staff.

As Secretary, you will receive emails from me with details of our fortnightly JCR meeting agenda and minutes, and any other info regarding these meetings. These meetings are a great opportunity for everyone to get involved in college matters and have their voices heard, so I would encourage you all to attend and give your opinions!

If you have any questions or would like to propose a motion, please contact me at jcr.secretary@univ.ox.ac.uk. Enjoy the rest of your summer and I can't wait to meet you all in October :)

James Backhouse - JCR VP/Treasurer

Hi everyone! I'm James (He/Him), a second year PPE student from Tunbridge Wells. As JCR treasurer, I'll be responsible for creating a budget and funding all the clubs, societies and initiatives set up by students at univ! I highly recommend getting involved in everything the JCR has to offer, from sports and creative societies, to welfare and entz events.

Personally, they've made an enormous difference to my first year, so definitely go to as many things as possible. Come along to JCR meetings to have your say about where JCR money should go!

Outside of being treasurer, you'll see me a lot in week zero as your fresher's rep, and if you choose to take up rowing (highly recommended), I'll be your vice captain, responsible for organising outings.

Esme Hallam - Welfare Rep

Hi! I'm Esme (she/her), a second year PPEist from Cambridge, and one of your welfare reps this year! Scott, Hermione, and I will be here to help and offer any support or guidance you might need this year, as well as running some great welfare events to give you a well-deserved break from the more hectic aspects of Oxford.

Whether you want someone to point you to someone in Univ's brilliant welfare team for any support, or if you just want some advice or someone to talk to, then please reach out! My email is esme.hallam@univ.ox.ac.uk, and we also have the welfare email jcr.welfare@univ.ox.ac.uk, or you can usually find me around college or at the boathouse if you're looking for a friendly face!

Hermione Mattimoe - Welfare Rep

Hi I'm Hermione (she/her) a second year English Lit student from West London. Along with my fellow welfare reps, Scott and Esme, I'm here to organise the termly welfare week in 5th week, where we schedule lots of trips and activities to lift people's moods mid term. I'm also around to give guidance on , or answer questions about welfare support and Univ more generally.

We're also planning on making better use of the Univ welfare Instagram to promote events, so keep a look out for welfare week updates. If you want to talk or want advice more broadly my email is hermione.mattimoe@univ.ox.ac.uk and I'm also available at the welfare email listed in Esme's bio.

Scott Sellars - Welfare Rep

Hey! I'm Scott (he/him), a second-year Earth Sciences student originally from Glasgow, but now living just outside of Oxford. Together with Esme and Hermione, I'm here to help you feel at home in the Univ community and offer support whenever you need it. Oxford is an incredible place to study, but can also feel overwhelming at times, especially when you're settling in or juggling lots of different commitments. We're here to support your wellbeing with a range of relaxed activities, such as welfare teas.

Whether you have a specific concern, want some advice, or just fancy a chat, please don't hesitate to get in touch. You can email me at scott.sellars@univ.ox.ac.uk, or come and say hello if you see me around college – I'm always happy to talk

Zeb Jenkins-Hall - LGBTG+ Rep

Hi! I'm Zeb (he/him) a second-year PPEist from London. As LGBTQ+ rep I will be working to support the welfare and safeguard the interests of our community, as well as ensuring everyone can live their authentic selves! There are a host of queer events in Oxford: for those of you unsure of where to find them QueerFest at Wadham and Tuesdays are good places to start!

I will also be organising LGBTQ+ themed events throughout the year as well as Pride Month and LGBTQ+ History Month Formal. If you have any question, concerns, suggestions or just want to talk, reach out to me at zeb.jenkinshall@univ.ox.ac.uk.

Hey everyone! My name is Tsvety (she/her). I'm a second year CAAHist and your Class Equality rep for Michaelmas Term. My primary role is to represent students from all class backgrounds at Univ and to ensure that the college continues to break down class-related barriers to making the most of your time here. Coming from a working-class background myself, I know Oxford may seem quite daunting, but the student body is incredibly diverse and open, so I promise you are bound to find belonging here.

There are also heaps of support available both from the university and college which exist to make your studies as obstruction-free as possible. Please do reach out at tsvetislava.mihaylova@univ.ox.ac.uk with any questions or concerns whatsoever. I would be more than happy to chat about anything. Welcome to Univ!

Whether you're hoping to meet loads of new people, try something different, or simply take a break from work with friends, we hope there'll be something that catches your eye.

You can email us at jcr.entz@univ.ox.ac.uk, or just stop us around college for a chat, we're always happy to hear from you!

Facebook

Facebook is also widely used across Oxford for communication. University societies use Facebook to share events and information so make sure you join the groups you're interested in. There are also helpful groups such as 'OxTickets' where you can sell and buy tickets among other things.

Instagram

The JCR will use its Instagram pages to announce events and keep you up to date with Univ life. You can also DM them with any suggestions or concerns. Many Univ and Oxford wide societies also have Instagram pages. Follow @univjcr_, @univ_welfare, @univentz_, @univsport_, @univ_music_ and more!

.tbc (formerly Youni)

The JCR is also using an app called .tbc which centralises all the events around Oxford to try and deal with the fact that so many social media platforms are used. Set up an account and follow the Univ JCR page!

The JCR Website - www.univjcr.com

For more information about life at Univ, visit the JCR website. There is information about our college sports teams, the JCR committee, welfare, access and much more. On the website you can also find the reimbursement form that can be used to reimburse any period products or condoms you buy.

Tech Info

SSO

Your Oxford SSO (Single Sign On) is an eight letter username (e.g univ1234) plus a password set by you.

You must also have MFA (multi-factor authentication) set up which adds another level of security when you login.

Your SSO gives you access to your University Outlook (email) inbox as well as Microsoft services including Word, Teams, Excel, etc. These can be downloaded for free onto your computer.

Canvas is another service used by many departments/faculties at Oxford to upload reading lists and other resources accessible via your SSO.

You also have a 'remote access account' which is used for you to login to the Universitywide WI-FI service Eduroam. You will receive instructions for how to set up your SSO and Remote Access accounts prior to your arrival. Follow the instructions carefully and remember your passwords!

Bod Card

All students are issued a University Card when they arrive. This card, often referred to as your 'Bod Card' , is really important. You use it to access buildings and libraries around the University and College as well as being used to pay for meals in the Buttery at College. Make sure you look after it!

Printing

In Univ, printing is done over the web – log in to <https://webprint.univ.ox.ac.uk> with your SSO, go to the WebPrint section, select your settings and upload your files. You can then scan your bod card at any printer and it will print for you. Printers are currently found in the: 10 Merton Street Basement, JCR & MCR, and 90 High Street Lecture Room Lobby

Intranet

The Univ Intranet can be accessed by logging into <https://intranet.univ.ox.ac.uk/> with your SSO. It has information on many aspects of the college including accommodation and various policies, as well as weekly hall and formal menus. It is also the place to go to top up your bod card balance to pay for meals, make bookings for formals and the squash court.

Accommodation guide

90/91 High Street

Some of the rooms in 90/91 High Street are typical student rooms consisting of a bed, desk, mini-fridge, sink (not always present) and cupboard. Other rooms are slightly different because they don't have a desk or mini-fridge in. Your desk, along with a mini-fridge, will be located along the corridor in the shared study space, along with your three other roommates' desks and mini- fridges. 90/91 High Street also has a kitchen and kitchenette.

The Old Bursary

The Old Bursary is attached to 90/91 High Street but functions independently. There are three floors, with two rooms and a bathroom (including a toilet and shower) on each floor. A combination of first, second and third years may be living in this building.

Each room here has a sink, mini-fridge and microwave, as the nearest kitchens are a bit far.

Accommodation guide

Main Quad

Main quad rooms are most often assigned to first years. They are the oldest accommodation in Univ. They are most often shared sets; you will have a room and a shared study with another person. The rooms will have a sink in them. A mini fridge and a desk will be in the shared study. The size of the room varies. All rooms are single beds.

Radcliffe Quad

Rad Quad lies directly adjacent to Main Quad. It was built later than Main Quad, but in the same style. You can access Rad Quad from Main Quad or Logic Lane. A combination of first-years and third- years live here. As well, all students on main site access laundry facilities at Rad Quad through staircase 11. Similar to Main Quad rooms, you can expect in Rad Quad rooms with single beds, sinks, cupboards, minifridges and shared sets too.

Accommodation guide

Durham Buildings (DB1 and DB 2)

DB1 (Durham Building 1) and DB2 (Durham Building 2) are located on Logic Lane opposite Rad Quad. The JCR is also located in DB2. Rooms in DB1/DB2 are decently sized typical student rooms. You can expect shared bathrooms as well as sinks, mini-fridges and desks in your rooms. Showers in DB1 are next the kitchen in basement. Residents in DB1/DB2 also have the privilege of immediate kitchen access with there being one kitchen in DB1, a kitchen on the second and third floors of DB2, and the JCR kitchen on the ground floor of DB2.

83,84,85 High Street

83/84/85 High Street can initially seem like a bit of a maze until you find your way around! Most bedrooms are standard single rooms with a sink, mini- fridge, desk and a cupboard. Like all High Street facing rooms, they have a great view!

Accommodation guide

Goodhart

Goodhart rooms are normally reserved for 3rd and 4th year students but some rooms are reserved for first year students. Students with access needs will often be allocated to rooms in the Goodhart building. All rooms in this building are equipped with an en-suite bathroom. Most rooms have a double bed, but some are single beds. All are attached to a kitchen. They are very spacious rooms and there is a lift.

Kitchens at Univ

Univ has several kitchens across main site. All students will have access to a kitchen, even if their room is not directly next to a kitchen. If you're not sure where you have kitchen access, email Shane Pledge who runs the accommodation team. There are more modern kitchens in the Goodhart building which have induction hobs so please bear this in mind when buying saucepans etc. Other kitchens are located in 90/91 high street, DB1 and DB2.

Life at Univ

Post

Every member of the JCR has their own 'pidge' (pigeonhole) where letters are delivered by the porters. Pidge are also used by friends and tutors to deliver messages or work. As well as 'pidges', college also has a parcel locker (Packcity) located near the Goodhart building. Parcels, including Amazon packages, are delivered to the locker and you receive an email to collect

Laundry

On Main Site in College, the laundry room is located in the basement accessible from Staircase 11 in Radcliffe Quad. The laundry room has washing machines, dryers, ironing facilities as well as some space for airdrying in the adjacent drying room. The washing machines and dryers cost a few pounds (£2-3) per cycles and take contactless card payment (inc. Apple and Android pay).
